Report a Polluter - Stormwater

Illegal dumping is the disposal of waste in an area where it is not permitted. This could be along a back property line, along a stream bank, in the woods or in some other off-road area.

Another form of illegal dumping involves putting debris or pouring anything other than stormwater runoff into a storm sewer inlet.

Illegal dumping is a concern because it pollutes our rivers and causes our rivers and streams to look like trash. Are you a Water Polluter?

If you observe illegal dumping or if you see anyone pouring something into a storm drain inlet, please call the City of Fort Wayne at 311!

History of Saint Valentine's Day

St. Valentine's Day was supposedly started in the time of the Roman Empire. In Ancient Rome, the date of February 14 was a holiday to honor the Queen of Roman Goddesses and Gods. Juno. Juno was known as the Goddess of women and marriage. The next day February 15 was the first day of the Festival known as the Feast of Lupercia.

On February 14 it was said that young boys and girls of the villages would write down the names of every girl and place these names in a jar of which each young man would have to draw a name of a girl and this particular maiden would be their partner for the duration of the festival. Sometimes these pairings would last a year and end up in marriage.

These rituals under the laws of Claudius were banned as the Emperor believed that the reasons why men would not go to war were because they did not want to leave their lovers or families. As a result all marriages and engagements were cancelled. As a result Saint Valentine, a Roman priest, was said to have married these couples in secret and for this he was executed on the 14th day of February.

While St. Valentine was in jail it is said that he fell in love with the jailer's daughter. By a miracle or some say by the prayers of Valentine she gained her sight and as a last farewell in a note he wrote "From Your Valentine."

Another story as to the origins of Valentine's Day was that he was a priest who was also a physician and would cure the sick. He was also said to have tried to cure the jailer's blind daughter, but, was arrested and on the day of his execution he wrote a note as a final farewell saying "From your Valentine" which some say is what caused her to gain her sight.

It is also said whilst he was in jail awaiting execution that he was sent little notes and flowers from the children whom he had helped when they were sick. This also may have been one of the reasons why he sent a farewell note to the jailer's daughter and why we send valentines.

St. Valentine's Day is celebrated on February 14 of each year. The reason why it is celebrated on this day is because this was the day that the Patron Saint of Lovers "St. Valentine" was supposedly executed on. On this day lovers all around the world mark this occasion as a day for sending poems, cards, flowers or candy, etc. They might also be a social gathering or ball to mark the occasion.

Another interesting origin is that St. Valentine was the patron Saint of Epilepsy. The reason was that he was supposedly a sufferer and took a keen interest in those who suffered from this affliction and also that those who suffered this disease were suffering from Valentine's sickness.

The history of Groundhog Day's Punxsutawney Phil

The groundhog wakes up from hibernation on Feb. 2nd.

If the groundhog sees its shadow when it emerges from its burrow, there will be six more weeks of winter.

If it does not see its shadow, spring will arrive soon.

This tradition started in Europe as Candlemas Day. Germans who settled in Pennsylvania in the 1700s brought the custom to America.

Pennsylvania's Punxsutawney Phil is the most well-known, but more than a dozen states celebrate with their own groundhogs, such as Georgia's General Beauregard Lee and Buckeye Chuck in Ohio.

Punxsutawney Phil - in Punxsutawney, Pa.

His full name is "Punxsutawney Phil, Seer of Seers, Sage of Sages, Prognosticator of Prognosticators, and Weather Proph-

et Extraordinary."

Feb. 2, 1886 - The Punxsutawney Spirit newspaper proclaims this date as Pennsylvania's first official Groundhog Day celebration.

Phil has correctly predicted the beginning of spring 100% of the time, according to his owners. However, according

to the National Oceanic and Atmospheric Administration, the ground hog shows "no predictive skill" for the last few years.

1986 - Phil travels to Washington, D.C. to meet with President Ronald Reagan.

1983 - Columbia Pictures releases the movie, "Groundhog Day" starring Bill Murray. In the years following the release of the movie, crowds numbering as high as 30,000 have visited Gobbler's Knob in Punxsutawney.

1995 - Phil appears on the Oprah Winfrey Show.

Jan. 27, 2010 - The animal rights group PETA suggest using a robotic groundhog in place of Punxsutawney Phil.

Feb. 2, 2010 - For the first time, fans can register for a text message alert of Phil's prediction.

Meet the CANDIDATES

(Vote for as few as one or as many as three candidates)

There are three, three year terms. Candidate with highest number of votes will receive a three year term. Listed in alphabetical order: Alayna Hackert, Caroline Joiner, Wilenda Jones, Kyle Lehman and Bruce Westendorf.

Alayna Hackert

Hello friends and neighbors!

Please allow me to introduce myself. My name is Alayna Hackert, but most people call me Ally.

I grew up on Shenandoah Circle in the house that I am renovating and moving back into. I have lived in Philadelphia for the last 20 years and find myself moving back to Fort Wayne as I have taken a position with a private anesthesia practice.

I am a new to practice Nurse Anesthesiologist who was an adult surgical trauma, pediatric, and lev-

el 4 neonatal ICU RN for just over 10 years prior to entering anesthesia training.

I have four wonderful dogs (2

very elderly and 2 middle aged) who takes pet ownership very seriously and often volunteers for rescues and spay/neuter programs.

In the spring, I will be starting the process of adopting my human children.

I have owned my home in Philadelphia for 13 years and pride myself in keeping it updated, clean and the garden well manicured. My mother had an amazing green thumb and was a previous winner of "Yard of the Month." Whereas I can't hold a candle to her prowess, I do try my best and thoroughly enjoy it.

I have experience serving on the board of my association in Philadelphia. My strong suits include: community safety with spe-

cial attention to preparedness for medical emergencies, architectural landscape and home improvement with emphasis on safety concerns (asbestos, radon gas, carbon monoxide, basement egress window installation, etc.)

I believe everyone in a community should have a voice and their opinion matters.

My vision for the community is to continue it's path of family orientation, protect and improve our home values, and play a part in creating more child and pet friendly activities and events.

Alayna Hackert

Caroline Joiner

I am Caroline Joiner, a candidate for a Director's position in Arlington Park.

My daughter and I moved to Arlington Park from the Gulf Coast of Texas in 2016. Experiencing all four seasons here has been interesting. The quality of the houses, plus the variety of trees, landscaping, walkways and amenities attracted us to his community. HOA fees are a new experience.

My background includes graduation from Rice University in Texas and many years as a public school history and government educator. I have also served as a school librarian. Most recently, I retired as a technical writer of online training

for petrochemical industry.

As a member of the Board, I would be especially interested in the appropriate use and amount of the fees plus the communication news, policies, needs and decisions among the residents. I also hope the Board can generate more positive awareness and input from residents.

Solutions to problems and thoughtful new ideas need to come from the residents. The Board provides guidance and direction for the community, but it needs residents' input.

Use your vote for Board members, provide your voice at Board meetings, research new ideas and be a participant in your community.

Caroline Joiner

Wilenda Jones

Good afternoon,

My name is Wilenda Jones and my family and I have lived in Arlington Park since 1989.

The reason I would like to be a member of the Board of Directors is because Arlington is a great community to live in. With that said, I would like to be a part of what's kept it that way for the past 30 years.

Before relocating to Fort Wayne, for a number of years I served as a member of the Supervisory Committee of Eaton Credit Union in Saginaw, Michigan.

Currently, I am a member of

Union Baptist Church, where I have been active as Sunday School teacher, Assistant Superintendent, as well as Superintendent of the Sunday School.

I am now a member of the Deaconess Board and Finance Committee.

My family and I moved to Fort Wayne because of my husband's employment with General Motors.

Now retired, we spend our time bowling, quilting and traveling with our two granddaughters.

I look forward to hearing from you. Feel free to contact me if you have any questions.

Wilenda Jones

**REMEMBER TO VOTE IN THE
2020 ANNUAL ARLINGTON ELECTION!**

Meet the CANDIDATES

Kyle Lehman

I have been married 23 years and have three lovely children. I graduated from Purdue in 1997 with a Bachelor of Science in Computer Science then furthered my career with an MBA from Indiana Tech in Fort Wayne. As a Fort Wayne native, my family moved into Arlington nearly eight years ago.

For over 20 years I used my skills with assisting individuals with disabilities. It was an awarding experience that one could not place a price on.

Along with my studies, I also assisted in the business affairs of the company. It was quite a rewarding experience.

I am also a certified Project Management Professional and serve on our local chapter's Board of Directors. I enjoy tutoring individuals in the craft.

With all of my combined experience, I feel I could make a great impact within the operations of Arlington Park.

Sincerely
Kyle Lehman

Arlington Park lists projects for 2020

The Golf Shop and Maintenance barn will soon be roofed with a copper penny metal roof to be completed by March 15th before the opening of the golf course.

The pump house for the lap pool and the pump house for the baby pool will also be roofed with a copper penny metal roof to complete the outbuildings in Arlington Park.

We should be able to see a cost savings over the next couple of decades with these new roof improvements.

Many of you may have noticed the glacial rock in the golf parking area. Over the next few weeks much needed work to improve or enhance existing walking bridges will take place.

The improvements will include: #4 dogleg, #2 green to #3 tee box, #2 tee crossing the creek, #7 dogleg and the #7 green to #8 tee box.

The salt/sander recently used during the January 19 ice storm was purchased in December for the 2020 snow season. The old sander and trailer were beyond

repair caused by rust.

A trip to the Omni plant enabled Arlington to recover \$99.

Look for more updates as the seasons unfold.

City of Fort Wayne Emergency Snow Route Preparedness

During our snow fall season there is a project we can all work on together. When snowfall is predicted, it would be helpful if all vehicles were parked in driveways, in the garage. . . . not on the street. Snow removal is difficult, the team removing snow is working late night hours usually through early morning, during white out conditions.

Each year we have complaints that an area was missed, which can happen. After review we often find that someone had parked their vehicle on the street. When the vehicle is then moved it leaves a large amount of snow in front of/ or behind a vehicle, this causes a bottleneck in traffic, especially in the cul-de-sac's.

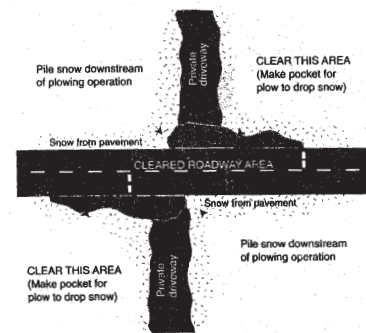

The US Postmaster has requested all of us to clear snow one (1) foot from the curb and to shovel out around the mailboxes.

If your neighbor is unable to remove snow due to disabilities or a heart condition. . . . a friendly helping hand is appreciated. (Let me personally thank you in advance for your good deed)

As in the past if any of you are on call or in need of emergency assistance for health conditions, please contact the office so that you may be placed on the list of first alert snow removal.

To qualify for first snow removal it requires that your health or work is of an emergency nature: Doctor, Nurse, Police, Fire worker. Or any member with special health needs. A list is compiled at the office and is submitted to the snow removal team. As in past years the snow removal will begin with the accumulation of 3" of snow. When weather conditions allow sand and salt will be placed at intersections and the primary roads. Sand/ salt barrels will be placed at the entrance ways. These barrels are filled by the city for use by members during treacherous snow and ice conditions.

If you believe your area has been missed during the normal snow removal, please allow enough time for the crew to process through all of the streets. With a team of three trucks it will take approximately 6-7 hours to make one pass completely through the streets in Arlington.

PREPARE NOW FOR A GREAT WINTER SEASON!

Arlington Park Security ...

It is hard to pinpoint any specific circumstance that would definitely trigger a burglary, but one factor seems to stand out. The burglar has to have a way of knowing you are not home at that time. It might be that he is parked nearby as you leave or he could be just driving by about the time you

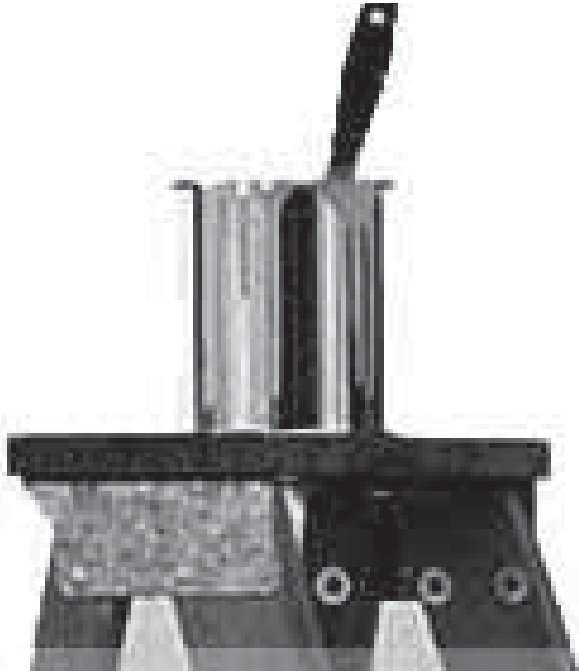

pull out of your driveway.

Do you watch for strangers as you leave your house? Do you leave lights on or the radio playing when you are away? Following these tips will not guarantee that your house will not be burglarized, but these actions will reduce your odds of becoming a victim of burglary.

Crafting Night

Do you have a craft or hobby that you never get to do at home? Then this is a night for you! This is a once a month opportunity to get out of the house and work on any and all projects/crafts/scrapbooking that you never find time to do at home in a social setting. The group is open to any Arlington Park adult. No reservation is required but please do call before you plan to come as schedule changes do occur.
