### What's News Now

#### **FIREWORKS UPDATE:**

The perfect finish to a perfect Saturday. . . . Arlington's Annual fireworks display. Sometime between 10-10:15 p.m. The fireworks begin.

"Night Magic" will be offering an "BIGGER AND BETTER SHOW" opening barrage of "Comets, spangles, dahlia, white strobe, color super break, silver crown, green strobe, Sapphire blue to brocade, diamond screamers, 5 different multi-shot boxes for a great floor show and much. . . much. . . more.

Like grades of a diamond, there are also many grades of fireworks. Night Magic insist on only the highest grade, both for safety and for the long lasting brilliance they offer to us as spectators.

### Morgan Blair is Arlington Park Pool Manager for summer of 2020

It's finally time, after a long cold winter, summer is here and the pool is OPEN! Although this may not be like every other summer!

Hi everyone, my name is Morgan Blair, your pool manager this summer. This will be my fourth summer at Arlington and my first year as pool manager. I was a head lifeguard last summer and I also taught swim lessons.

I graduated from Bishop Dwenger High School and I am going to be a junior at the University of Saint Francis this coming fall. I am majoring in Business Administration and minoring in Marketing.

Along with being a full time student, I am a cheerleader. Cheering and working at the pool are two of my favorite things!

Morgan Blair

In my free time, I love to spend time with my nieces and nephews.

This summer is not going to be an easy one for any of us, but myself and the lifeguards, are going to do our best to keep everyone safe!

We do ask that everyone be patient with us because we are learning as and adjusting to changes. Your safety is our first priority and that will continue with new pool rules.

We hope that everyone is excited for the pool this summer, because I sure am and can't wait to have you all back! See you soon!

**Call Before You Dig!**

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament.

We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: [Info@arlingtonpark.net](mailto:Info@arlingtonpark.net). Before you dig! Arlington's electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being.

Remember, Don't Dig Blind!

**A neighborhood project everyone may lend a hand!**

Keep the storm drains open during our April showers. Please pick up any debris in the street especially around storm drains to allow for the water to flow and keep flooding to a minimum.

Catch basins and sewer inlets are for rainwater and melting snow only. Crews from the City of Fort Wayne's Water Pollution Control Maintenance Department, the department responsible for cleaning catch basins and storm sewer inlets, recently pulled a number of unusual items out of some City sewers including: boots, cellular telephones, VCRs, realtor signs, buckets and file cabinet drawers.

These items should NOT be put into storm sewer inlets.

The only thing that should ever go into a storm sewer is rainwater or melting snow.

**NEVER PUT ANY OF THESE ITEMS INTO A STORM SEWER INLET:**

Automobile fluids like oil or anti-freeze, leaves, sand or topsoil, grass clippings or other yard wastes, scrap lumber or any chemicals.

Clogged catch basins and inlets can cause many problems including odors, street flooding, even injury to maintenance employees.

In addition, children should NEVER play in or around storm sewer inlets or manholes. For storm or sanitary sewer questions or emergencies, please call 311.

Also, remember to call the office for locates of the rear sidewalks lighting if you will be near the easement to the rear of the property. You can call 1-800-382-5544 for all other utilities.

### Recreational Camp Fires

There is a city ordinance that shall be followed whether you are installing a campfire/fire pit, an enclosed bowl type or fireplace type enclosure for a recreational fire, please see the ordinance stated below. With any of these products, please remember to follow all the manufacturers' specifications, directions and any and all guidelines recommended by the manufacturer. Please take all fire safety precautions when cooking or having a recreational campfire.

The following is the city ordinance relating to open burning and recreational camp fires.

The code states this:

A barbecue pit or grill is a stationary or portable device, with either electric, gas or charcoal fuel, which is used for the preparation of food and is allowed by code, but not within or on balconies of any apartment complex.

A fireplace (like an in-home style whether built or store bought)

which is meant to be a part of your deck or patio is not regulated but there are some safety issues to think about which are the same as the rules for a fire pit. A fire pit or campfire which is meant for recreation, scouting events or family cookouts shall be subject to the following conditions listed:

A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire extinguishing shall be readily available at the burn site.

Only wood products shall be burned-no leaves, paper or trash.

A fire shall be attended by a responsible party at all times until completely extinguished.

A fire shall be located at least 25 feet away from any structure, fence or right of way.

A fire shall not exceed an area 3 feet wide by 2 feet high.

If the open burning creates a smoke nuisance, or a hazardous condition exists, the open burning shall be immediately extinguished.

### Members Do Mind!

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?
- Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs.

A message from the City of Fort Wayne and the Animal Care and Control Department.

# Arlington welcomes head lifeguards

## Jared Lee

Hi! I'm Jared Lee and I will be working as a head lifeguard at the pool this summer. I am going into my sophomore year at Indiana University in Bloom-

Jared Lee

ington, Indiana. I am currently studying to receive a Bachelors in Science in Biology. I am planning on applying to the Indiana School of Medicine after I graduate.

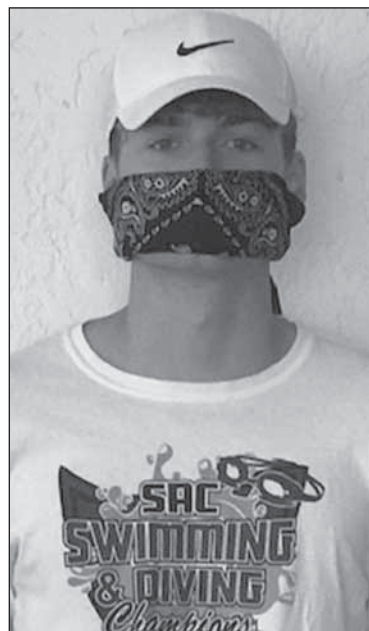

This will be my second year as a lifeguard for Arlington Park Pool. While this year will definitely be much different from previous years for both the members and the guards, I'm nonetheless very excited to kick off this pool season and have a lot of fun.

## Mason Pickett

Hey, my name is Mason Pickett and I will be one of the head guards this summer. I am graduating this year from Concordia Lutheran High School. I will attend Indiana University in Bloomington this fall. I plan to major in political science or psychology on a pre-law track.

This will be my third year guarding at Arlington and my second as head guard. This year

will definitely\*/ be much different than the previous but we all are working hard to try to ensure as much fun as possible for residents. I can't wait to see everyone this summer!
