Dave & Debbie Branfield win Yard of the Month

Dave and Debbie Branfield's home at 5110 Patomic Drive was selected as the Yard of the Month winner.

"We are honored to be considered for Arlington Park's 'Yard of the Month'!"

What started twenty-six years ago as a few annuals around our patio has grown into a passion and labor of love. We focus on perennials and flowering shrubs that bloom from late March through the fall. To fill in spots where the bloom is over, we add pots of annuals, birdbaths, statuary, and interesting finds from our travels. Over the years, we have been transitioning to more native plants; this encourages birds, bees, and butterflies to visit our yard. We plant for our enjoyment and yours, too – we hope you will stroll or bike past and say hello!

Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament.

We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: Info@arlingtonpark.net. Before you dig! Arlington's electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being.

Remember, Don't Dig Blind!

Taking Pride in Arlington Park

Arlington Park as a neighborhood has long been considered a pillar of four collective communities as evidenced in the edition of Fort Wayne Magazines "Neighborhoods of Distinction."

Webster's Dictionary defines, Neighborhood as "A district or area with distinctive characteristics." We take that one step further by offering many enviable amenities such as the pools, paths and the golf course, just to name a few. In order to maintain that distinction, we have to constantly strive to do the things above and beyond what is expected elsewhere, so that others who visit our neighborhood will witness a community that is truly a great place to live. As active board members that genuinely care about our home surroundings, we feel when a topic is voted on, it is truly for the benefit of all of the families that call Arlington Park their home.

So, what's the point? The point is this: Most of us respect our neighbors and live cohesively in an environment where the phrase, "pride of home ownership" is alive and well. Some of us are unclear of the concept and do things out of "convenience" losing sight of the big picture. We all have a responsibility to set the bar to higher standards and respect our fellow neighbors who are: entertaining their friends, trying to sell their house (which helps our home values) or just sitting on the front porch, taking in our surroundings, and marveling at how fortunate we are to live in such a safe, picturesque environment.

Here are a few ways to make this an even better place to live:

ONE CART: Recycle: the container is provided to use for your combined recyclables. Please store them out of sight after each pickup.

Pet Owners: Carry a bag with you on your walks with a scooper and if your dog is barking, maybe you should bring it inside.

Noise: It stays lighter longer now, but there are still jobs that we must all get up for, so the mowers, chain saws and power washers should turn off by 9 p.m.

Parking: RVs, boats and campers. That's great that you have them, but there is NO storage allowed for them in Arlington Park. Storage needs should be met outside of the community.

Garbage: I know the city says that it is OK to place your carts out at noon the day before, but with our pickup being on Monday, we are asking members to wait until 6 p.m. so that those people visiting for open houses, graduations or church events pull out of Arlington Park with nothing but well-kept homes in their rear view mirrors.

Pride & Respect: Leading by example. Our children are watching how we treat others and they are the ones that will keep this place a vibrant community to live in the years ahead.

Thank you,
BOD

Members Do Mind!

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?
- Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs.

School bus safety tips for drivers and children

Every school day 23 million children ride a big yellow bus. While school buses are one of the safest modes of transport, there are real risks in getting on and off and walking to bus stops. The National Highway Traffic Safety Administration (NHTSA) has offered some tips to help students, parents, and motorists safe around buses.

Tips for drivers:

When backing out of a driveway or leaving a garage, watch out for children walking or bicycling to school. Better yet, walk around your car or out to the sidewalk to check for any children walking in your path before you get in.

Drive slowly and watch for children walking in the street, especially if there are no sidewalks. Also be aware of children playing or waiting around bus stops.

Be alert and aware on the road. While children are typically taught about looking both ways, they could dart into the street without looking if they are late or distracted.

Learn the school bus laws in your state. Yellow flashing lights indicate that the bus is preparing to stop to pickup or drop off children. Drivers need to slow down and prepare to stop. Red flashing lights and an extended stop arm signal indicate that the bus is stopped, and that children are getting on or off. Cars must stop a safe distance away and not proceed until the red lights stop flashing, the stop sign folds back, and the bus continues on its way.

Tips for children:

Get to the bus stop at least five minutes before the bus is scheduled to arrive.

When the bus approaches, stand at least 6 feet away from the curb, and line up away from the street.

Wait until the bus stops, the door opens, and the driver says that it's okay before stepping onto the bus.

If you have to cross the street in front of the bus, walk on the sidewalk or along the side of the road to a point at least 10 feet ahead of the bus before you cross. Be sure that the bus driver can see you, and you can see the bus driver.

Use the handrails to avoid falls. When exiting the bus, be careful that clothing or backpacks don't get caught in the handrails or doors.

Never walk behind the bus.

If you drop something near the bus, tell the bus driver. Never try to pick it up because the driver may not be able to see you.

2020 Arlington Park TV & Tire Program Sept. 19

Pre-registered Neighborhood Associations will be paid 75 cents per tire for up to 200 car tires, (with or without rims) each month. TVs will be paid out at \$1 per TV. Neighborhoods are encouraged to bring ALL types of electronics (Not just TVs) to be recycled. However, the City will only pay for the TV's.

Many members were disappointed that during our Spring clean-up tires were not accepted.

Arlington signed up for the Fall Tire Program for those members that have tires to dispose of.

From Sept. 14-18 you can drop off car tires only, with or without rims in the designated parking lot where the large postal units are at the clubhouse. (same location as our Spring Clean Up)

This service is for members only please.

Arlington Park Association Board of Directors July 6, 2020 • Meeting

In attendance: Executive Director Janie Baker, President Lynda Gevers, Vice President Bruce Westendorf and Treasurer Harlan Altena. Also attending were directors Mindy Szczepanski, Alayna Hackert, Kyle Lehman and Secretary Linda DeWeese, by proxy, and Roger Hubart by proxy. No guest present. This meeting was held via Zoom video conferencing.

The meeting was called to order by Lynda Gevers, President, at 6:30 p.m. Motion was made by Kyle Lehman to approve June Board Minutes made, seconded and approved.

Janie updated Board members regarding COVID 19 impact on amenities.

Pro Shop is open with restrictions. Pool operation under current guidelines are going well. Swim and Dive Team City Tournaments have been cancelled. Due to increased concern of the ability to social distance swimmers a special vote will be taken by the Board of Directors for continued swim meets for this season in July.

Tennis lessons are going well in accordance with social distancing. Allowing outside pool memberships and guests have been postponed until stage 5 of Governor

Holcomb's Indiana Plan.

Payroll Protection Program was discussed regarding record keeping and the 60/40 accountability for allowed expenses. The Covid impact on Arlington finances show approximately a loss of \$34,000 in revenue in the area of clubhouse rental, golf memberships, pool memberships, guest fees, concession sales and News and Views advertising. Additional cost for masks, golf cart dividers, sneeze guard counter screens, a power washer to clean decking, chemical cleaners, graphic signs for social distance, and thermometers for staff will increase the cost of operations. The member dues collected are 99% through July 6, 2020.

An open discussion for our long term improvement budget followed. Janie has been asked to review cost to stock Lake Crystal, cost to paint additional pickle ball lines on 6-7 tennis court, cost to install a logo feature for the Arlington Golf bridge by #7, cost to install drain tile for hole 4-5-6, cost for a Dog Park and placement, additional dog-i-pots. expansion of deck space around the lap pool.

Janie reported with the assistance of Councilman Paul Ensley we are back on track to have bro-

ken and damaged pedestals along the greenway sidewalks repaired or removed. Thank you Councilman!

Meeting with AEP Steve Andrus, URD coordinator to wrap up repairs and cost to the remaining greenway lighting and depreciated sidewalk is in progress.

A request was made to review our seven month clean lake program to include screening for blue green algae which can be toxic.

Motion to adjourn, seconded by Kyle Lehman and passed at 7 p.m.

Next scheduled meeting will be Aug. 3, 2020 at 6 p.m.

Respectfully Submitted,
Janie Baker
Executive Director and
Linda DeWeese, Secretary
