On Sunday, Oct. 18th, beginning at 4 p.m. until the pumpkins are gone, Tug and Judi will be handing out pumpkins as they have for almost three decades.

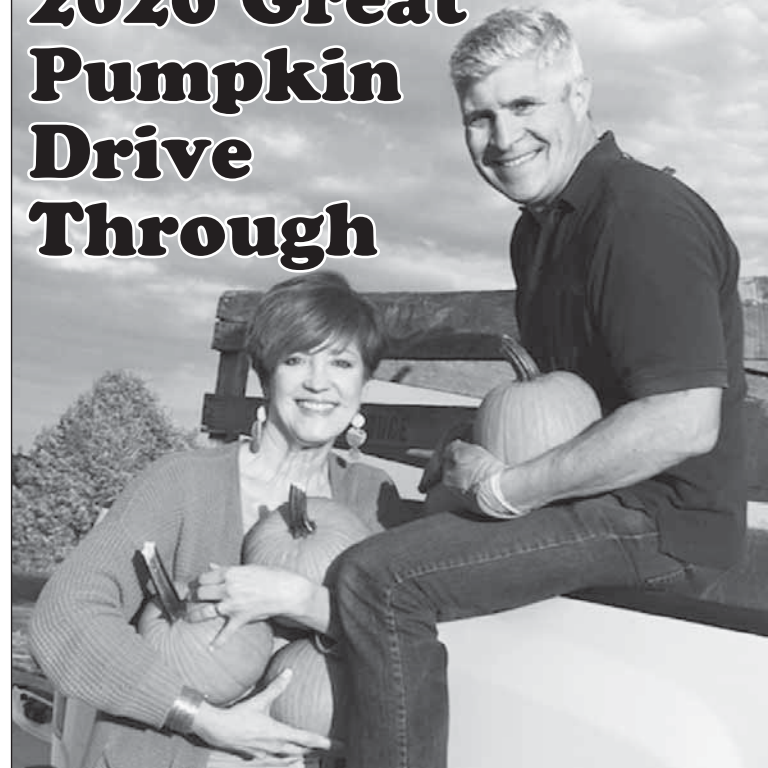

“In a year when a virus has unsettled so much of our routine and plans. We believe it more important than ever to provide an opportunity to have fun – different than we’d like, but an opportunity to resemble a tradition just the same.”

Load the family in the car, drive up to the Clubhouse and pass the truck to retrieve the pumpkins.

Tug and Judi Pierson, Real Estate Brokers with RE/MAX Results, have been sponsoring this event for close to 30 years and attendance grew steadily – a tribute to its appeal for the residents and to the Staff’s organizational prowess. They lived in Arlington Park for 21 years creating many friendships, serving on the Board and enjoying the amenities. We wanted to find a way to keep one of the activities going, significantly modified as it is.

We won’t be able to celebrate Autumn with neighbors in the usual way this year, however, you can still have a little reminder and create a fun project with your families. We look forward to seeing as many of you as possible, even if for a short “hello”. And remember, when you find yourself in need of the services of a REALTOR, or hear of someone who is thinking of buying, selling or building—please give us a call and we’ll be happy to guide them through the process to a happy ending.

Please check your yardlights

As fall approaches and the leaves begin to change colors many of you will be taking advantage of our trails. We ask you to please notify the clubhouse via phone or email if you notice any damaged or burned out greenway lights so we can repair them as soon as possible.

Each light is individually numbered and that is the only information that we will need.

Also, we are asking that all residents replace their front yard lights in a timely manner when they burn out.

Thanks for your help! Call 486-1967 or Info@arlingtonpark.net.

As homeowners you may be purchasing internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood.

Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents who are planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us at: Info@arlingtonpark.net before you dig!

Arlington's electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before digging is to begin. Remember: Don't Dig Blind! and Thank you for your help to eliminate future damage.

Also, did you know that the Arlington Clubhouse stocks, at cost, replacement photo cells, lights, bulbs, sockets and panes of glass?

Avoid Open Burning

As the leaves begin to fall from the trees, people look for ways to remove them. For those considering burning leaves, twigs or trash that have accumulated on their lawns, the Fort Wayne Fire Department reminds everyone to avoid open burning as a general rule.

FWFD Fire Marshal Jim Murua says, "No one is to kindle or maintain open burning consisting of a trash fire, leaf fire, refuse fire, or other open burning according to Fort Wayne City Code."

He explains that there are two exemptions allowed under certain conditions:

1. Bonfire celebrating school pep rallies are on exemption which requires obtaining a Burn Permit from FWFD at least 24 hours in advance of the permitted open burning. Call 427-1102 for more information or with questions.
2. Recreational camp fires for scouting or family cookout activities are allowed without a permit and a subject to the conditions listed below.

These exemptions must be subject to the following:

- A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire-extinguishing equipment shall be readily available at the burn site.
- Only wood products shall be burned. No leaves, paper or trash.
- A fire shall be attended by a responsible party at all times until completely extinguished.
- A fire shall be located at least 25 feet away from any structure, fence or right of way.
- A fire shall not exceed an area three feet wide by two feet high.
- Anyone who recklessly, knowingly or intentionally kindles, or maintains any open burning consisting of a trash fire, leaf fire, bonfire, refuse fire, or other open burning that damages property of another person may be liable for criminal mischief.
- Any person who maintains burning of combustible materials out of doors or open burning not permitted shall be in violation and may be fined \$50. If the violator does not appear in response to a notice issued to them within a period of 30 calendar days from the date and time shown on the notice, the penalty shall be \$75. Repeat violators will be fined.

Please take the extra necessary to exercise safety at all times.

Arlington Park Association Board of Directors September 14, 2020 • Meeting

In attendance: Executive Director Janie Baker, President Lynda Gevers, Vice President Bruce Westendorf and Treasurer Harlan Altena; Directors: Mindy Szczepanski, (Proxy) Alayna Hackert, Ron King, Kyle Lehman and Secretary Linda DeWeese. Guest: Melinda Connelly. This meeting was held via Zoom video conferencing.

Open discussion with Melinda Connelly. Melinda expressed concern regarding grounds maintenance and in particular a section of ground at Crystal Lake where weeds are out of control. The Board appreciate the input and assured Melinda that lawn personnel will be notified, as it appears to be just an oversight.

The meeting was called to order by Linda Gevers, President, at 6:17 p.m.

Motion to approve August Board Minutes made, seconded and approved.

Janie Baker discussed summer programs/problems and solutions. Tennis Lessons went well and use of Courts 1 and 2 for pickelball saw considerable increase. We were able to open pool (albeit later than usual) and except for a short shutdown, pool was available for residents. Extensive discussion regarding operations budget reviewed cash reserve, and proposed operations

budget. Income for club house rentals, outside pool memberships and pool guest fees have impacted income for this year. Budget will be re-visited next month in more detail regarding long term and operating budget for next year. The emphasis for coming year will be on maintenance due to COVID 19 impact on income.

Motion to adjourn, seconded and passed at 7:15 p.m. Next scheduled meeting will be Oct. 5, 2020 at 6 p.m.

Respectfully Submitted,
 Linda DeWeese and
 Janie Baker, Executive Director
