ARLINGTON NEWS & VIEWS 1

Hey Neighbor!

Hey, Neighbor! This new monthly column is an upbeat, informative, and enlightening way to connect with Arlington neighbors. We will provide information on various monthly topics, while incorporating suggestions for how we can work together to continue Arlington's tradition of being a great place to live. We will also share fun facts about the history of Arlington Park, our Members, and happenings throughout the neighborhood.

What does it mean to Be a Good Neighbor?

1. Be Giving - You know that saying-'do unto others as you would have them do unto you.' It's what being a good neighbor is all about! If a neighbor does something nice, pay it forward

by doing something nice for another neighbor.

2. Be Friendly - You don't always have to go above and beyond to be a decent neighbor. Smiling at your neighbors when they drive by or saying hello when you see them can go a long way. Remaining friendly, even to apprehensive neighbors, can go a long way.

3. Be Tidy - No one likes a messy neighbor. Even if you don't mind when your yard or home is messy, be courteous to neighbors who do. Creating a beautiful home keeps Arlington Park beautiful, makes for a safe environment, and increase property values

4. Be Quiet (ish) - Ok-maybe you're not throwing loud and

outrageous parties every night. But either way, a good neighbor is noise-conscious. If you're planning on hosting a get together and think it might get a little loud, let your neighbors know ahead of time. Or better yet, invite neighbors to join you!

Being a good neighbor is all about being courteous.

Back in November, 2015, one of our members showed what it means to be a good neighbor. Clyde Poppe noticed that Section VIII-A had no street lights and asked Janie to look into street lighting for Quail Canyon Run. After investigating with the city, Janie determined that Arlington could submit a request to the city for the street lighting,

with NO financial burden to Arlington. In addition, a petition would allow for three additional street lights to be installed at all costs paid by the city. Clyde collected the required signatures from his neighbors, and went a step further. He included a reference sheet in his petition to the city that indicated homeowners' suggested placement of lights. The city approved his petition and the lights were installed. Clyde saw a need and was willing to take ownership of what he wanted to see upgraded in his neighborhood. Clyde is a great neighbor and friend of Arlington Park.

Fall is an ideal time to care for your trees. Having trees trimmed or canopied now is a great way to get a jump on your spring clean-up. There are many tree-trimmers who advertise in the News & Views and we encourage Arlington members to reach out and support businesses who support Arlington Park.

A good neighbor will: • Be mindful of fallen leaves; • Keep your leaves raked or blown to the curb; • Check to be sure your street's sewers are cleared; • Check if your property has a drainage swale (sloped area of your lawn that directs rainwater), keep it clear of leaves; • Check on elderly neighbors and assist

with yard work if you are able; • Avoid driving over leaf piles in streets; • Don't make leaf piles near mailboxes; • Carriers need full access to deliver mail.

Next month, we want to share the various ways our families in Arlington Park celebrate the upcoming holidays of all religions. Perhaps this is a special family tradition or a lesser-known meaning behind your particular religion. Please send feedback to: info@arlingtonpark.net.

This column is written by Arlington Park Board Members, and we hope to occasionally give insight into decisions the Board makes.

Any opinions expressed in the articles written are those of the writers only, and are not intended in any way to represent the Arlington Board of Directors as a whole.

Headwaters skating rink set to open November 21, but with COVID-19 related restrictions

FORT WAYNE, Ind. (WANE) The Headwaters Park outdoor ice skating rink is tentatively scheduled to open to the public on November 21, but the 18th season of operation will be unlike any previous one because of the coronavirus pandemic.

Assembly of the rink is set to begin this week and once it opens attendance will be limited to 50 percent capacity and masks or face coverings will be required on the premises and on the rink unless the current mask order is lifted by Indiana Governor Eric Holcomb.

Social distancing will also be required and advance reservations will be accepted. There will be hand sanitizers stationed at the park and other features to protect guests and staff. Restrooms and ice skates will be cleaned and sanitized on a regular basis. Guests may rent skates or bring their own. Extra precautions in the concession room will also be taken to provide safely for guests and staff.

The plan has been approved by the Allen County Department of Health.

“The pandemic continues

to have a strong hold on Indiana, but we felt it was important to continue the tradition of outdoor ice skating this winter, with extra precautions in mind,” said Geoff Paddock,

Executive Director of the Headwaters Park Alliance.

Details of this season’s sponsor, hours of operation, and pre registration details, will be announced at a later date.

PREPARING FOR FALLING RAIN AND LEAVES

NEIGHBORS HELPING NEIGHBORS

Sometimes heavy rains can totally overwhelm Fort Wayne's storm sewer system. In autumn, falling leaves can block storm drain inlets causing standing water and localized flooding even during smaller rain storms. You and your neighbors can protect your property and help ensure that emergency and other vehicles have access to your neighborhood by doing the following:

KEEP THE DRAINS CLEAR

1. Be a good neighbor and remove leaves and other debris from the gutters and storm sewer inlets near your home before it rains. This helps in several ways:
 - Helps prevent street flooding during future rain storms
 - Keeps your neighborhood looking tidy and well maintained
2. If you notice that your street is flooding, clear accumulated leaves and debris from storm sewer inlets to keep the water flowing.
3. Manage yard waste properly by keeping it out of the street and storm drain.
4. Never pour chemicals, grease, oil, paint or any other fluids down storm sewers.

Fort Wayne's Street Department employees will be picking up leaves and will clean leaves off the streets this fall. But the City also relies on your efforts as a good neighbor to reduce flooding and protect property in your neighborhood.

Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: Info@arlingtonpark.net. Before you dig! Arlingtons electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being. Remember, Don't Dig Blind!

Members Do Mind!

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?
 - Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs.

First annual Doggie Paddle Makes a Splash!

To conclude the 2020 summer pool season, Arlington Park's resident 4-legged friends and their pawrents came to take in a few laps on Labor Day evening.

From 5-6:30 p.m. the progressive depth and baby pools were available for a few hours of fun prior to being closed and cleaned for the season. Despite the threat of rain, almost 20 dogs partook in the festivities.

Social distancing was maintained, guests showed they had masks at the gate and one wonderful resident came just to watch the pups have fun!

All attendees signed consents stating their canine guests were people/other dog friendly, surgically altered and provided proof of city licensure and rabies vaccination.

They also very generously contributed at \$5 donation to assist local dogs in need of furever homes. All participants received a doggie bag of snacks from Canine Acres Bakery.

Local dog rescues Canine Haven Rescue, Inc. and Fort Wayne Pitbull Coalition were on site with available merchandise as well as information on dogs available for adoption and

upcoming events.

A big thank you to the resident pawrents who came out to make this event such a success! We hope you and your dogs had as much fun attending as we did planning and watching your pets play!

Blue Jacket announces Fantasy of Lights to open early in 2020

FORT WAYNE, Ind. (WANE) Blue Jacket announced Monday it is expanding its annual Fantasy of Lights event by opening over a week early and using that extra time to give back to the community through free admission to the holiday event and new, exciting activities.

The Fantasy of Lights, now in its 26th season, traditionally kicks off on the Tuesday before Thanksgiving, but will open early this year on Nov. 13. Admission will remain \$10 per car to experience the nearly 2-mile route which will feature at least

127 scenes made up of over 425 displays, 7 more scenes than last year.

Ancillary activities from recent years like hunting for a hidden display will be repeated, but Santa's Cottage providing free popcorn and hot cocoa will be closed due to COVID concerns. However, Blue Jacket is planning for a grander experience, in the open air, that will give patrons something much more to look forward to before the Christmas Holiday. Details will be released at a later date.

"There's no question 2020

has been rough on so many levels," said Donnell Miller, Blue Jacket's Board President. "For 15 years Blue Jacket has been a part of the solution to provide a better workforce. Here, we have an opportunity to be a part of the solution by being a better community partner, especially those on the front lines, during this tumultuous year. We want Christmas to come early for those families."

Blue Jacket is announcing a number of free admission and themed nights. The Fantasy of Lights will be open to the public at 6 PM every night – refer to the schedule for the days closed to the public. For free entrance during assigned nights; teachers, first responders, military active duty and veterans must show proper identification. Nursing homes must enter with branded vehicles full of their residents and on one of the nights, a vehicle decorated with the Christmas spirit gets in free. Blue Jacket will also provide a night for bike riders to enjoy an evening on Sunday, Nov. 22nd where adults pay \$5, any child under 15 years of age

gets in free.

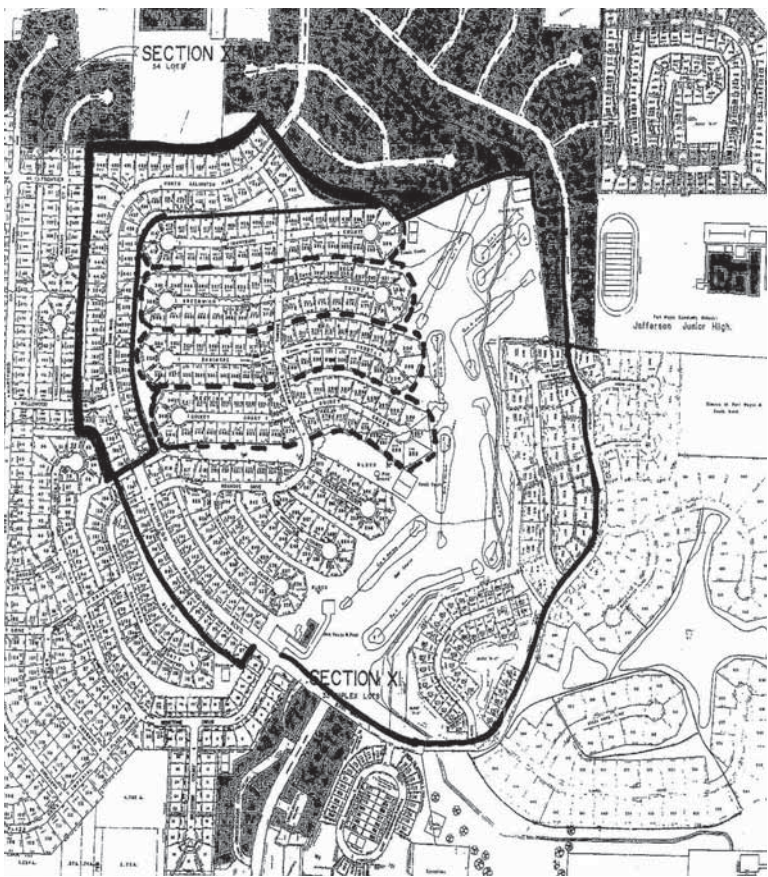

Another new activity this year will award a family the opportunity to flip a bigger-than-life switch to illuminate the displays and kick off the new season at the Grand Opening on November 13. Fireworks show set for Nov. 10 in FW

September 10, 2020 - The City of Fort Wayne today announced the new date for this year's fireworks show at Indiana Michigan Power Center in downtown Fort Wayne. The special event will begin at 6:30 p.m. on Tuesday, Nov. 10, the eve of Veterans Day.

The City of Fort Wayne, Allen County Board of Commissioners, NAI Hanning & Bean, and the Three Rivers Festival will serve as sponsors for the fireworks display, which was originally planned for July 4.

At this time, and subject to the State of Indiana's Back on Track plan and guidance on social gatherings, groups of up to 250 people would be allowed as of November 10 while following the CDC's social distancing guidelines and Indiana's mask requirement.

Due to the fireworks being visible from several locations in and around the downtown area, attendees are asked to utilize the various locations and spread out

to help ensure the safety of the public.

Leaders expressed the date was chosen to celebrate and recognize veterans and their service to our country and give residents something to look forward to as we've worked hard as a community to be safe and considerate

of one another during the COVID-19 pandemic.

The City of Fort Wayne would like to thank NAI Hanning & Bean and Indiana Michigan Power (I&M) for partnering with the City on the use of Indiana Michigan Power Center.

Fire Department offers reminder to avoid open burning

As the leaves begin to fall from the trees, people look for ways to remove them. For those considering burning leaves, twigs or trash that have accumulated on their lawns, the Fort Wayne Fire Department reminds everyone to avoid open burning as a general rule.

FWFD Fire Marshal Jim Murua says, "No one is to kindle or maintain open burning consisting of a trash fire, leaf fire, refuse fire, or other open burning according to Fort Wayne City Code."

He explains that there are two exemptions allowed under certain conditions:

1. Bonfire celebrating school pep rallies are on exemption which requires obtaining a Burn Permit from FWFD at least 24 hours in advance of the permitted open burning. Call 427-1102 for more information or with questions.

2. Recreational camp fires for scouting or family cookout activities are allowed without a permit and a subject to the conditions listed below.

These exemptions must be subject to the following:

- A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire-extinguishing equipment shall be readily available at the burn site.

- Only wood products shall be burned. No leaves, paper or trash.

- A fire shall be attended by a responsible party at all times until completely extinguished.

- A fire shall be located at least 25 feet away from any structure, fence or right of way.

- A fire shall not exceed an area three feet wide by two feet high.

- Anyone who recklessly, knowingly or intentionally kindles, or maintains any open burning consisting of a trash fire, leaf fire, bonfire, refuse fire, or other open burning that damages property of another person may be liable for criminal mischief.

- Any person who maintains burning of combustible materials out of doors or open burning not permitted shall be in violation and may be fined \$50. If the violator does not appear in response to a notice issued to them within a period of 30 calendar days from the date and time shown on the notice, the penalty shall be \$75. Repeat violators will be fined.

Please take the extra necessary to exercise safety at all times.

All colorings should be mailed or dropped off at the clubhouse no later than November 27. Winners from three different age categories: 5 and under; ages 6-9 and 10-12 will be announced. Prize of \$10 for each age category.

Those Residents wishing to participate need to have their lights turned on the evenings of December 9-10-11 for the selection process. Ballots will be available at the clubhouse on the 15th for all members to vote. The Selection Committee will be touring Arlington and choosing the top 10 homes for our ballot.

Awards will be given to the top 10 homes. Photo's Sponsored by Varsity Photo Owners Patrick & Michelle Herrold.

ALL winners will receive an elegant photo enlargement of their festively decorated home.
