Hey Neighbor!

Hey Neighbor!

It's the most wonderful time of the year (even with the looming pandemic)!

For Arlington residents, the winter holidays bring out joy, anticipation, celebrating traditions, and love of family and friends. Arlington's proud history of celebrating the holiday season is reflected in many years of activities for neighbors. With all the struggles of this year, Arlington continues to offer ways to celebrate the holidays. Let's look at the holidays - Arlington style!

Arlington hosts the annual Display of Lights contest. Residents have the opportunity to decorate the outside of their houses and properties each December. This year, ten homes will be selected to participate

in neighborhood voting for the Display of Lights.

To be considered for the 2020 Display of Lights, neighbors wishing to participate should have holiday lights turned on each evening of December 9th, 10th and 11th. Ten homes will be selected for voting.

During the week of December 15th through the 19th, Arlington families may pick up a ballot from the clubhouse and vote for their favorite light displays. Completed ballots must be returned to the clubhouse by December 19th. The winner will be announced on December 21st. Winners will receive a framed photograph of their decorated home. The grand winner receives a \$250 gift certificate sponsored by Tom Koeneman Century 21.

This is a fun activity for residents! Plan to pick up a ballot, turn on holiday music, and drive around the neighborhood while voting for your favorite light display.

The trolley ride is a yearly tradition for many Arlington families. Due to Covid19, the trolley ride has been cancelled for this year. The trolley ride began in 1993 as a horse and buggy carriage ride through Arlington. The mode of transportation quickly changed to a trolley in order to accommodate more people. Over the years, Arlington has hired gospel singers, carolers, and Girl Scout troops to sing at the clubhouse between rides. For a few years, there was even a magician to entertain riders between trolley rides. Neighbors have enjoyed cookies from

New Haven Bakery since 1985. In more recent years, Joe Trent has served as resident commentator on trolley rides. We look forward to the return of the trolley ride next year!

The first Arlington Children's party took place in 1982 with the completion of the clubhouse. By 1984, the party included a ballet performance, and Wolf and Dessauer's Santa. Paul Saalfeld, of One Hour Photo, provided photographs of children with Santa. In the party's early years, Santa gathered boys and girls for a talk and an opportunity to ask Santa questions. One yearly asked question was, "How old are you?" Santa always replied that he was as old as the hills and the seas.

This year's Arlington Children's Party is on December 12th from 10 a.m. to noon. Call the office to register your children or grandchildren.

Headwaters rink to open but with COVID-19 related restrictions

FORT WAYNE, Ind. (WANE) The Headwaters Park outdoor ice skating rink is tentatively scheduled to open to the public on November 21, but the 18th season of operation will be unlike any previous one because of the coronavirus pandemic.

Assembly of the rink is set to begin this week and once it opens attendance will be limited to 50 percent capacity and masks or face coverings will be required on the premises and on the rink unless the current mask order is lifted by Indiana Governor Eric Holcomb.

Social distancing will also be required and advance reservations will be accepted. There will be hand sanitizers stationed at the park and other features to protect guests and staff. Restrooms and ice skates will be cleaned and sanitized on a regular basis. Guests may rent skates or bring their own. Extra precautions in the concession room will also be taken to provide safely for guests and staff.

The plan has been approved by the Allen County Department of Health.

"The pandemic continues to have a strong hold on Indiana, but we felt it was important to continue the tradition of outdoor ice skating this winter, with extra precautions in mind," said Geoff Paddock, Executive Director of the Headwaters Park Alliance.

Details of this season's sponsor, hours of operation, and pre registration details, will be announced at a later date.

Where and How to Recycle or Dispose of Christmas Trees in Indiana in January 2021

In many urban and suburban areas, Christmas trees are collected from curbside during the first 2 weeks in January.

Allen County residents may drop off and recycle their live Christmas trees at various locations free of charge, starting Thursday, Dec. 26, 2020 to Saturday, Jan. 11, 2021.

Be sure to remove all lights, wire, tinsel, ornaments, nails, stands, other NON-Organic decorative materials and other materials that are not part of the original tree. This includes tree stands also. Flocked trees are usually accepted, but not artificial trees. Large trees (larger than the standard 6 - 7 ft tree) may need to be cut in half to be acceptable by your garbage hauler. But scroll down this page for more specific information and local links.

What happens to the trees? In most cases, the trees are chipped and made into a mulch which is usually made available, free to city or county residents. Important: Never burn your Christmas tree in a fireplace or wood stove. Burning the tree may contribute to creosote buildup and could cause a chimney fire.

When to call Animal Control about wildlife

Fort Wayne Animal Care & Control responds to calls about wildlife when a wild animal is in a person's living space, injured or sick. Encountering wildlife in Fort Wayne is common and in many cases there is not much we can do as an agency. Here are some tips to know when to make the call:

Observe the animals: If you can't immediately tell the animal is sick or injured we ask that you observe the animal for 24 hours. There's no need to panic right away. If it does not move from the area it's in give us a call and an Animal Control Officer will come check on it.

If a wild animal is simply in your yard – that does not warrant an officer being dispatched. You can contact a nuisance wildlife company to assist you.

If the animal is in your home give us a call.

If the animal is under your

porch or deck you will need to call a nuisance wildlife company.

If the animal is in an out building – open doors and windows and let it leave on its own. If some time has passed trying this method and the animal does not leave – call us.

Wild animals can pose serious, sometimes fatal health risks.

It's important to remember that you should NEVER handle wild animals. Wild animals can carry dangerous diseases like rabies. In Indiana the wild animals at the highest risk of carrying rabies are skunks, foxes, raccoons, coyotes and bats. Rabies is a viral disease that infects the brain and spinal cord. The disease can be spread through bites and when the saliva of an infected animal enters an open wound or the eyes. Even baby animals can be infected, so while they

might be cute, injured or need assistance NEVER HANDLE THEM.

Reporting an Injured Bird

Calls about injured birds are not uncommon, especially in the spring. Birds on the ground that appear to be struggling to fly are most likely a fledgling bird. These are baby birds that have fallen down from their nests and are commonly confused with injured or sick animals. These birds are actually learning to fly and don't have the wing strength to fly back to their nests. This is a natural part of their development. These birds will be jumping around flapping their wings for an extended period of time. There's no need to panic – chances are it's a baby bird growing up right before your eyes!

If you see a bird struggling to fly – observe it for 24 hours before calling FWACC.

Abandoned baby rabbits

You found a rabbit's nest in your yard. What should you do?

First, there's no need to panic. Rabbits often build their nests out in plain view and it's not uncommon to come across one. If you do, simply cover the nest back up and the mother will return. **DO NOT** take the baby rabbits out of the nest. If your dog or cat found the nest you can cover it with a basket or box that allows the mother to get in, but not your pets.

Mother rabbits only feed their

young five minutes a day. They tend to them early in the morning and in the evening. If you find a nest but the mother isn't around, don't worry she will be back.

You can put a ring of flour around the nest and check back the next day to see if the mother has come and gone. This is a good way to tell if the rabbits are truly abandoned.
