Meet the Incumbent CANDIDATE

Roger Hubert...

Arlington Park Members, I am asking for your support to maintain my role on the Board. I have been a member of the community for 15 years. Our family enjoys the community. My children have been volunteers at many of the community activities.

We have welcomed our first grandson and our second grandson will be born this year. We look forward to them enjoying the many things that Arlington has to offer. I have a Bachelor's Degree in Business Management and I am a Production Supervisor for a company in Garrett. My job requires attention to detail, problem solving and working with others as a team. I feel this supports this role on the Board. I have enjoyed the Euchre Tournaments and com-

munity parties, this has been a great way to meet and listen to the neighbors. If re-elected I will continue to work with the members of Arlington to enrich and enhance this community, we live in. Thank You for your Consideration!

Incumbent Roger Hubert

Monthly Photo Contest begins at Arlington Park

Have you lived in Arlington all of your life? Or, did you just move in last week? Each neighborhood seems to have its own

personality and we all are tied to them.

For this contest, take a picture of something that represents our neighborhood to you. This theme is pretty subjective, so be sure to use the description to say WHY the chosen subject represents Arlington Park to you.

Submit photo to: Info@arlingtonpark.net. Be sure to include the location of the photo,

your full name and phone number.

No more than one submission per month.

The winner will be announced monthly and will be awarded \$25 worth of golf passes, pool passes or something of comparable value.

We will all look forward to seeing the photo of the month featured on the website at www.arlingtonpark.net.

U.S. Weather for 2021 could be wet and soggy

We are currently under the influence of a relatively strong La-Nina pattern and this pattern will continue into spring and early summer 2021. Usually what this means for our area is warmer weather in general, with more precipitation. Where the jet stream sets up will determine whether we receive the precipitations as snow – or rain and / or ice. In some years, the southern jet stream carries storms from Colorado and the central Midwest up the coast into New England - resulting in tons of snow.

The circle of above-average precipitation located right over the state of Indiana is concerning – if it falls as snow. The pattern persists well into spring, meaning that the upcoming spring could be a soggy one.

Pickleball is becoming popular in Fort Wayne

Pickleball activities in our fair city may be found online at: fwpickleball.com or Fort Wayne Pickleball Association on Facebook. These websites are sponsored by the Fort Wayne Pickleball Association, a non-profit organization which promotes pickle ball in alliance with the USAPA and organizes tournaments, picnics, potlucks and volunteer activities and makes overall available Fort Wayne logo shirts. They have over 500 people on their email list.

This is America's fastest growing sport. We play at the McMillan Community Center, YMCAs, Sports One, Lions Park, Cedar Canyon Elementary and Northwood Middle schools plus two churches. Times, locations, videos, pictures and notices are available online.

Active people of all ages can be found playing pickle ball everyday of the week: mornings, some afternoons and evenings.

Arlington Members are Playing Pickleball!

Tennis Court #2 was painted for Pickleball in 2020 and by popular request, the Board of Directors has allocated funds for tennis court 3-4 and 7-8 tennis courts to be painted for Pickleball.

The work will be completed in early spring, but is weather dependent.
