Arlington Park Association President's State of the Association 2021

Good evening and welcome to the 48th Annual Arlington Park Neighborhood Association meeting.

A year ago this evening, as we spoke of the then current state of our Neighborhood Association, this Board and our neighborhood members could never have predicted what the coming months would have in store for all of us on a personal, professional and social level. In the weeks following, our members and our board directors had to completely adjust almost every aspect of daily life to deal with the ever changing new world of Covid-19. Each day, and sometimes, each hour, provided a new development, rule or behavior change that caused disruption to our lives, anxiety, fear and sometimes anger. Many of our members began to work from home, students learned from home, jobs were lost, and unrest marked the path for demonstrations, dialogue, and hope for change. As our members adjusted to the "new" world around them, something remarkable happened. We turned to our neighborhood as our sanctuary. Stuffed animals appeared in windows for scavenger hunts; our sidewalks exploded with activity as members went out to get fresh air, exercise, and social distance with one another in the safest way possible. Chalk-written messages of encouragement appeared on those same sidewalks, along with exercise recommendations for the day. Every day

weather allowed, members were out on the golf course and social distancing in the common areas. People waved at one another, picked up items for the elderly at various stores and spoke kindly to one another (from a safe distance, of course). Our members really looked at their neighborhood and liked what they saw! We began to receive recommendations on how to make things even better.

In the meanwhile, the Arlington Park Board of Directors had their hands full. Each day brought new challenges as we did our level best to abide by the ever changing rules for opening and operating our golf course, pools, and clubhouse facilities. There were times of great frustration for all of us. The revenue from guest passes and outside memberships to our pool, golf course and clubhouse rental were all greatly diminished. These are the revenue sources that we rely on to keep our dues from increasing at the rate of inflation each year. Indeed, there were some scary moments and tough decisions. We trimmed our budget to focus solely on maintenance and upkeep of amenities for the remainder of 2020. I am happy to say, it worked!

We were very fortunate that the timing of the Covid-19 health crisis coincided with an Arlington Member moving back into the neighborhood who happened to have an interest in our board. Our newest board member until this evening, Alayna

Hackert, CRNA, MSN, an Advanced Practice Nurse Anesthetist, among several other specialties, joined our board in March. Alayna provided our board with understanding of the complicated and ever-changing Covid-19 landscape. So many of our members just wanted to grasp the "why" behind the rules, regulations and changes. Alayna was able to provide some much needed clarity to both the board and for members, so that decisions were made based on much greater knowledge. Many thanks to you Alayna!

Each year at this time we get together to talk about the "State of our Association" and I am relieved to tell you all this evening that the State of the Association is very sound and secure. We were able to meet our needs in upkeep and maintenance of the amenities and maintain jobs for the employees that see to those tasks. This was only accomplished with serious attention to detail and juggling to stay somewhat open and yet abide by the rules given to us. Thanks to our members and their understanding and patience, the staff and board here at Arlington brought us through the year and we were able to budget for 2021 without an increase in dues to our members. Another factor that greatly contributed to this successful year-end result is the fact that Arlington Park utilizes a 10 year set aside fund, a long-term budget, to handle long-term capital expenditures and

avoid assessments to members for costly repairs or upgrades. Our members, this year and every year, face few "surprises" as our larger-ticket maintenance upkeep and replacement costs are already budgeted for years in advance. These fellow board members and our Executive Director, Janie Baker, have gone above and beyond to make 2020 the best that it could possibly be for our members. Yes, there were times we had to close the clubhouse, pool and even golf to meet Allen County Health Department rules or to accommodate for Covid-19 exposures. In fact, almost the entire pool staff and office staff were exposed to Covid-19 directly at one point over the summer resulting in an unexpected shutdown of the pools and clubhouse. But just

giving up and shutting the doors to activities was not the right answer for our members, so we continued making the required adjustments, to offer everything we could to the members facing equal challenges every day in their own work and homes.

Zoom meetings helped us survive the year as the board struggled to analyze data from afar and make decisions without a crystal ball to see into 2021. I cannot offer enough praise to the tireless effort from these volunteer members who serve our community. They have given so much this year for our neighborhood.

The neighborhood functioned through 2020 under the guidance of our Executive Director, Janie Baker, who has collaborated with

city and county officials, who themselves were working with skeleton crews or from home, found creative ways to distance employee schedules, worked from home and quarantined more than she would have liked from exposures while working for the members of Arlington Park.

While the city and county offices are not currently working on the usual number of new projects due to Covid-19 concerns, we have not forgotten the issues that Arlington Park still would like to address, such as the completion of street work. These issues will be right back at the forefront as we begin to see the pandemic lessen. 2021 will see the improvements to offer a safer and more aesthetically pleasing golf experience, completion of common ground improvements in our playgrounds and pool areas along with pickleball/tennis court improvements, sidewalk improvements and equipment maintenance.

We have focused on necessary and needed budget items. Covid-19 won't last forever, so please have patience and know that we will discuss your suggestions for other items and activities as soon as the future allows! AND, please keep sending suggestions via email about the things you like and those you don't so your neighborhood continues to be a vibrant place to call home!

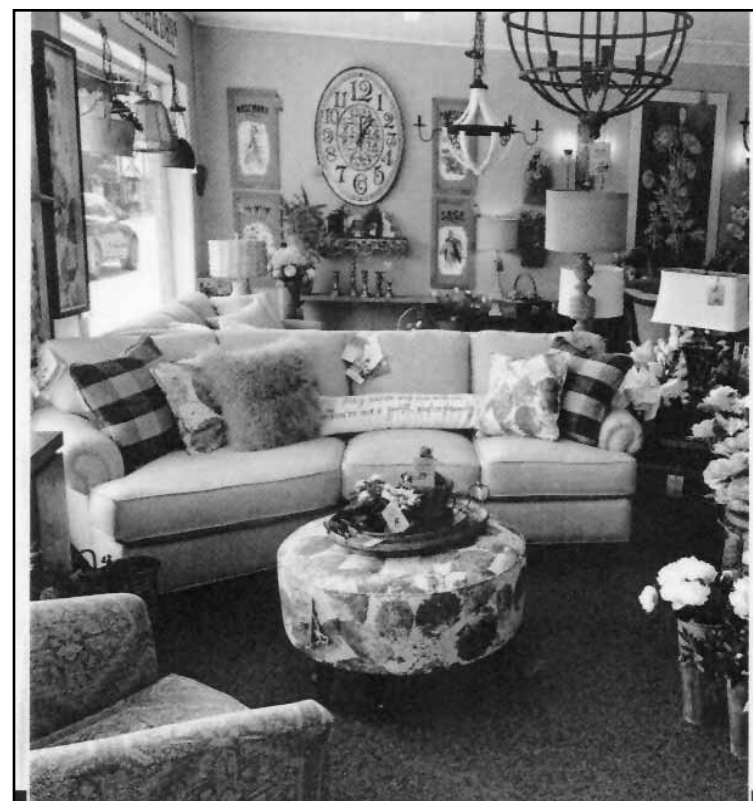

This evening we will be saying "goodbye" to two longtime Board Members, Mindy Szczepanski and Ron King. We wish both Mindy and Ron the best as they take a break from volunteering in this capacity. Have no fear, we will continue to keep in touch with them as we do so many past Board Members when we have questions or issues that can utilize their expertise and advice. Thank you Mindy and Ron for all the volunteer hours and knowledge you have lent to the neighborhood! We also said "goodbye" to another newer Board Member this year when she moved from the neighborhood. Linda DeWeese may not have served

on the board for very long, but she stepped right into the role of Secretary and volunteered for many activities... even prior to her Board tenure. Linda will indeed be missed.

This evening, we have the pleasure of announcing the results of the 2021 election. We are pleased that Roger Hubart has agreed to volunteer for your neighborhood yet again and is on the ballot this evening. Roger is probably known best for his social committee work and Euchre nights! We look forward to welcoming Roger again to the Board. Also on the ballot is Heidi Colone. Heidi will bring a wealth of knowledge to the board and we are excited to work with her! Welcome Heidi!

As we wish you a successful year ahead, please join us this evening in welcoming our new and returning Board Members! Thank you on behalf of our entire board.

Executive Director's Report... by Janie Baker

UNCERTANTY- I survived watching President Kennedy's funeral -day after day for weeks, the terrible Vietnam War live broadcast on the nightly news, training under my desk in grade school for an atomic bomb. We all have tragic memories from our youth. Americans handling the 2020 pandemic world-wide is something every generation will not forget. Arlington has been here for each of you to support your needs, offer amenities as safely as we can and maintain the neighborhood that you live-in, . . .and when we can with a smile!

Amazing – unprecedented. . . that is the description for the home sales in Arlington during this past year. Homes were sold before they were even listed and above market prices. The marketability of Arlington Park soared during the pandemic. Soon the excitement will spread through these new families to yours as they participate in the many returning social activities.

The increase in home sales encouraged families to go out and explore our playgrounds, swimming pools, golfing, tennis courts and pickleball more than ever before. Most of you have been supportive as the staff struggle to make amenities available and safe through the COVID-19 pandemic. Each board member and staff member appreciate the support given through these uncertain times. Guidelines change daily so please understand we have done the best we can safely for you and your families.

In 2021 Americans will be given a vaccine to stop this terrible uncertainty that we are all living in. Many Americans will choose to vaccinate and many will choose not to. I believe that we will be going through some of the precautions in 2021 that we did in 2020, so please be patient.

The Board's directive as we reviewed our financial budgets for this year was to maintain what we have and support the many members struggling through the impact of COVID-19. The dues were held the

same as last year to offer each of you the support you needed during this continued uncertainty. What you can anticipate is that the amenities will be taken care of offering each of you stability. Did you know that Arlington has a ten- year budget in place to maintain our many amenities? Did you know Arlington will never have special assessments? Current and past boards have been analyzing and forecasting for your future.

What you can look forward to in 2021 is the return of Gary Johnson, as Arlington Golf Pro, Vince Williams Arlington Tennis Pro, and new in 2021 Joe Trent, Arlington Pool Manager. We are fortunate to have Brooke Blackman return as the representative of Swim/ Dive teams for Arlington Park. All of the quality time will offer our children wonderful opportunities with expertise and fun! – As we look into 2021 you will see the smiling face of full-time employees: Janie Baker Executive Director, Pat Davis-Sauers as Bookkeeper, Rick Ruple- Donnie Firestine & - Tim Keck as the maintenance crew. New this year is Stephanie Richardson manning the front desk;

she can't wait to meet you!

The Board has allocated approximately \$100,000 reserve monies towards the maintenance of our existing amenities. Tennis Court 3-4 will be color coated for tennis and pickleball, TC 6-7 will be available for pickleball this year too. There will be a new baby pool furnace installed, a swing set in boy-scout park, with monies allocated towards drain maintenance.

As in past years I encourage each of you to drop us an email, let us know what we are doing great and what we are doing not so great, they will be received with equal interest!

Last but never least remember to thank the current Board of Directors and those leaving the Board for their time and energy dedicated towards the Arlington community. Volunteers are "very special people" that deserve to know how much you appreciate them and all they do for you. We would not be Arlington Park without them! In closing, blessings to all of you as we enter, hopeful for the last year of covid.

POSTPONED

Neighborhood CLEAN-UP DAY

The City of Fort Wayne offers every Neighborhood Association a cleanup day on an annual basis. We should all thank Matt Gratz with the city for arranging our special day.

This year's clean up will be held on May 8th between 8 a.m. and 12 p.m. (Noon). The City will supply the neighborhood (free of charge) (2) 40 yard roll-off containers.

Please plan ahead to clean up! The attic, garage, or yard of stuff you no longer can use of need.

This year our TV & Tire Collection will be held on Sept. 11, 2021. MARK YOUR CALENDARS!

How to be a good neighbor...

Listed below are a few helpful suggestions from our Architectural Committee.

New Paint: Homeowners are free to repaint their homes using a color identical to the existing paint.

Roof Treatment: When a home requires a new roof, homeowners are free to re-roof their homes using the identical color and type of shingle found on the existing home.

Antennas and Satellite Dishes: Satellite dishes are required to be less than 36 inches in diameter to be placed at the rear of the house, not visible from the street and to be screened from view from the

neighbors.

Outdoor Furniture: All outdoor furniture must be located on a porch or patio area. Furniture is not allowed on the lawn except during use. Also, plastic stack furniture should not be stored in a stacked position in a visible, outdoor location.

Play Equipment and Toys: Arlington Park is a family community so children are important part of our community. In order to maintain harmony children's toys should be stored indoors or in an orderly fashion that they are screened part of the backyard not visible from public view. Bicycles and other riding toys should be

kept in the garage when not in use. No play structure or equipment is allowed in the common areas.

Swimming Pools: Portable swimming pools are prohibited in the covenants. A child pool that can be emptied and stored every evening, out of sight, is permitted.

Lighting: Tasteful accent lights are encouraged and security lights that do not create a nuisance for other homeowners are permitted.

Garage Doors: Garage doors should be opened only long enough to permit car access to garage or while someone is working outdoors.

Monthly Photo Contest begins at Arlington Park

Have you lived in Arlington all of your life? Or, did you just move in last week? Each neighborhood seems to have its own personality and we all are tied to them. For this contest, take a picture of something that represents our neighborhood to you. This theme is pretty subjective, so be sure to use the description to say WHY the chosen subject represents Arlington Park to you.

Submit photo to: Info@arlingtonpark.net. Be sure to include the location of the photo, your full name and phone number.

No more than one submission per month. The winner will be announced monthly and will be awarded \$25 worth of golf passes, pool passes or

something of comparable value.

We will all look forward to

seeing the photo of the month featured on the website at www.arlingtonpark.net.
