## A neighborhood project everyone may lend a hand!

Keep the storm drains open during our April showers. Please pick up any debris in the street especially around storm drains to allow for the water to flow and keep flooding to a minimum.

Catch basins and sewer inlets are for rainwater and melting snow only. Crews from the City of Fort Wayne's Water Pollution Control Maintenance Department, the department responsible for cleaning catch basins and storm sewer inlets, recently pulled a number of unusual items out of some City sewers including: boots, cellular telephones, VCRs, realtor signs, buckets and file cabinet drawers.

These items should NOT be put into storm sewer inlets.

The only thing that should ever go into a storm sewer is rainwater or melting snow.

### NEVER PUT ANY OF THESE ITEMS INTO A STORM SEWER INLET:

Automobile fluids like oil or anti-freeze, leaves, sand or topsoil, grass clippings or other yard wastes, scrap lumber or any chemicals.

Clogged catch basins and inlets can cause many problems including odors, street flooding, even injury to maintenance employees.

In addition, children should NEVER play in or around storm sewer inlets or manholes. For storm or sanitary sewer questions or emergencies, please call 311.

## Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: [Info@arlingtonpark.net](mailto:Info@arlingtonpark.net). Before you dig! Arlingtons electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being. Remember, Don't Dig Blind!

## Website updates member's info, Contact numbers

Members please log onto our website, once you are in the resident portion, click the Email Bulletins link to see the groups you want to join. Then, go to your personal resident profile and double check that your email address is entered and its up to date. It's that simple!

For One Call Call Center Dial 311.

## Party Tables - Reserve Now!

## Members Do Mind!

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?

- Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs. A message from the City of Fort Wayne and the Animal Care and Control Department.

## Taking Pride in Arlington Park

Arlington Park as a neighborhood has long been considered a pillar of four collective communities as evidenced in the most recent edition of Fort Wayne Magazines "Neighborhoods of Distinction."

Webster's Dictionary defines Neighborhood as "A district or area with distinctive characteristics."

We take that one step further by offering many enviable amenities such as the pools, paths and the golf course, just to name a few.

In order to maintain that distinction, we have to constantly strive to do the things above and beyond what is expected elsewhere so that others who visit our neighborhood will witness a community that is truly a great place to live.

As an active board member that genuinely cares about our home surroundings, I feel when a topic is voted on, it is truly for the benefit of all of the families that call Arlington Park their home.

So, what's my point? My point is this:

Most of us respect our neighbors and live cohesively in an environment where the phrase, "pride of home ownership" is alive and well.

Some of us are unclear of the concept and do things out of "convenience" losing sight of the big picture.

We all have a responsibility to set the bar to higher standards and respect our fellow neighbors who are: entertaining their friends, trying to sell their house (which helps our home values) or just sitting on the front porch, taking in our surroundings, and marveling at how fortunate we are to live in such a safe, picturesque environment.

Here are a few ways to make this an even better place to live:

### ONE CART:

Recycle: The container is provided to use for your combined recyclables. Please store them out of sight after each pickup.

Pet Owners: Carry a bag with you on your walks with a scoo-

per and if your dog is barking... maybe you should bring it inside.

Noise: It stays lighter longer now, but there are still jobs that we must all get up for, so the mowers, chain saws, and power washers should turn off by 9 p.m.

Parking: RVs, boats and campers. That's great that you have them, but there is NO storage allowed for them in Arlington Park. Storage needs should be met outside of the community.

Garbage: I know the city says that it is ok to place your containers out at noon the day before, but with our pickup being on Monday, we are asking members to wait until 6 p.m. so that those people visiting for open houses, graduations or church events, pull out of Arlington with nothing but well-kept homes in their rear view mirrors?

Pride & Respect: Leading by example. Our children are watching how we treat others and they are the ones that will keep this place a vibrant community to live in the years ahead.

Thank you,  
Board of Directors

# Neighborhood Clean Up Day May 8 at Arlington

Sponsored by the cityoffortwayne.org

The City of Fort Wayne offers every Neighborhood Association a cleanup day on an annual basis. We should all thank Matt Gratz with the city for arranging our special day.

This year's cleanup will be held on May 8th between the hours of 8 a.m. and 12 p.m. (Noon).

The City will supply the neighborhood (free of charge) (2) 40 yard roll-off containers.

Please plan ahead to clean up! The attic, garage, or yard of stuff you no longer can use or need.

Healthy neighbors take this opportunity to assist a neighbor in need by offering to bring items that have been collected up to the container site located behind the main bulletin board at Arlington Park's Arlington Parkway South.

The community thanks you for your contribution. Members must show Member Tags.

Let's get busy!!!!
