Business Owner's of Arlington

Featured this month:

Varsity Photo: Patrick & Michelle Herrold

Michelle Herrold grew up in Arlington Park with her parents Steve and Arlene Steiner. The Steiners were always very active in the community. For years they were known for taking premiere school and sports photos. The Swim Team relied on them each year for our team photo.

The Steiners owned two properties in Arlington and eventually built their second home at 9034 Laurel Hurst Place.

When Steve and Arlene retired, the business and the property on Laurel Hurst became the opportunity for Patrick and Michelle to take the family business for their legacy.

Varsity Photo was founded by Steve and Arlene Steiner in 1972. Michelle (Steve and Arlene's daughter) and her husband Patrick Herrold became owners in 2004. They are happy to be able to continue the family business. Both Patrick and Michelle are former teachers. When photographing students and athletes, their teaching background has been very beneficial. The Herrolds really enjoy working with all the students, athletes, coaches, administrators and parents. Working with Fort Wayne and the surrounding communities has given them much joy over the years!

Varsity Photo continues to specialize in school portraits as well as school and league sports.

Michelle & Patrick Herrold

They also photograph marching bands, dance schools, class reunions, as well as other special events. The main goal for Varsity Photo has always been to provide families with high quality photos and products as affordable prices. They offer their customers a wide array of custom digital products as well as standard prints. Having a fully-equipped digital lab ensures excellent quality and fast turn-around time.

Michelle married Patrick Herrold and they chose Arlington Park to raise their two children, Nicholas and Michael. Patrick and Michelle have taken great pride in Arlington Park and have sponsored, for over 20 years, the photos for the Display of Lights.

A great family and business owner in Arlington Park!

Plan Ahead for 2022 with an Arlington Outside Membership

Neighborhood Leaf Pickup Schedule Listed

Leaves are beginning to change color and fall, so Fort Wayne Street Department crews are gearing up for leaf collection starting the morning of Oct. 29th.

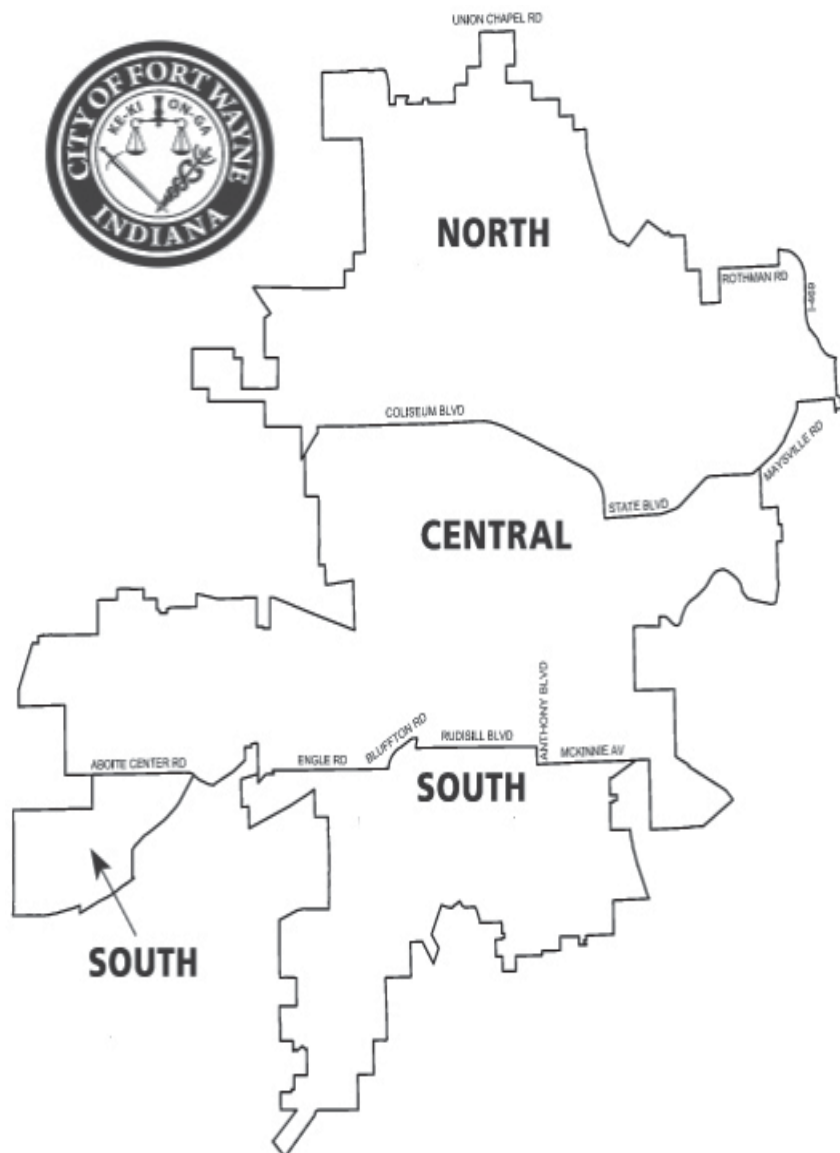

Collections will occur two times in each of the city's more than 400 neighborhoods, with the last week of collection starting in December.

For curbside leaf pick-up residents should rake leaves to the curb or park strip in front of their home, but not into the street. Leaves should be in the park strip by 7 a.m. on Monday of the week the leaves are to be collected for your area. Other yard waste should not be mixed with the leaves.

Residents can access daily collection updates at cityoffortwayne.org/leaves. There they will find a neighborhood schedule updated daily, collection map and general leaf collection information. This daily update will soon and residents can call 427-2603 for daily updates.

You can also schedule a pick-up if you place your leaves in biodegradable bags by calling 311. The bags should be placed at the curb and will be collected within two business days of the call.

Don't put leaves in your trash or recycling cart. This is against state law, and burning leaves is a violation of city code and can result in a fine. Don't place leaves in or over storm drains. Parents should remind children to not play in leaf piles near the street.

ALLEN COUNTY DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

Oh, Christmas Tree!

If your family decided to celebrate your holidays with a live Christmas Tree this year, you may be left with the question of "what now?" once the egg nog is all gone and presents have been unwrapped. How do you get rid of your tree?

Live Christmas trees will NOT be picked up with regular trash collection. Luckily, we are offering Live Christmas tree recycling this year at no cost to Allen County residents! Simply bring your live trees to one of the drop-off sites during the posted hours, leave them in the designated area, and we will take care of the rest.

Remember to remove all ornaments, tinsel, and plastic bags prior to drop off. Artificial trees are not accepted and should be donated or reused. Wreaths and garland are also not accepted - they often contain wires that could harm the recycling equipment. Christmas lights can be recycled at other locations. Click here to learn more.

This program is open from December 26th, 2021, to January 15th, 2022. After January 15th, trees are still accepted at the Bio-Solids, Lime and Yard Waste Facility, though fees will apply.
