From our Family to Yours ... 2021 Display of Lights

MEYER FAMILY • 5409 LITCHFIELD ROAD

Welcome to House B. Our family has enjoyed nearly 15 years living in Arlington Park. More than half of those years, we have been honored to be nominated for Arlington Park's top 10 decorated houses. We remember that Christ was born today to bring community and Salvation to the world. We hope our light display helps bring the joy, peace and calm of the season to our friends and neighbors who round the bend every night. We appreciate your consideration, but assure you, the next house deserves your vote more than ours. Merry Christmas! The Meyer Family.

Season's Greetings - Enjoy!

THE VOLLENWEIDER FAMILY • 9105 LAUREL HURST PLACE

Dale and Joy Vollenweider have lived here for 22 years. We have been decorating for the holidays for most of that time, even as our family grew up and moved away. There are 50 sets of dripping lights. We wanted a fun, festive and whimsical display, which includes our porch, driveway and landscape lights. The dripping lights are used inside and out, and in the front and the back. Two projectors add to the display. We like them because they are colorful and always in motion. Happy Holidays from the Vollenweider family to everyone in Arlington Park!

THE YONKE FAMILY • 8206 GREENWICH COURT
Merry Christmas!!

THE GREIM FAMILY • 8835 STAR PINE WAY

Decorating for Christmas has been a tradition for a long time in our family. As the joy for Christmas brings families and friends together it's our honor to make a display that bring happiness to all who see it. So just relax and enjoy the decorations. Have a Merry Christmas!.

THE FOLLIS FAMILY • 8117 N. ARLINGTON PARK BLVD.

Hello Trolley Tour Participants! My name is Heather Follis. My husband, Tony, our son, Paxton, and daughter, Paisley, and I are so honored to be in the Top 10 for Christmas lights this year! This is our 6th Christmas in Arlington Park and the third time we've been nominated for our lights display. This year was different than years past for us as we needed to get our lights up before Thanksgiving to prepare for my husband's ankle surgery. A huge thank you to my in-laws and a few amazing neighbors for all their help, especially accessing those high places! Not only has our display grown over the years, but this is our first year switching completely over to LED lights. We are exceptionally thrilled about the addition of our Christmas T-Rex! Our goal is to bring enjoyment to the neighborhood each year, but most of all, to see our four and six year-olds faces light up. We wish you the merriest Christmas and the happiest New Year! Thanks for stopping by!

THE LIVERGOOD FAMILY • 8510 QUINCY COURT

The Christmas season is my favorite time of year. For me, the tradition of hanging lights started with my dad many years ago. I would be in charge of holding the end of the strand so that he could carefully place each bulb in the best place. On our way home from church on Christmas Eve we would drive home the long way to enjoy the lights in the nearby neighborhoods. When my children were small, the holiday season was often filled with noisy chaos. Many days it was impossible to remember the true meaning of Christmas. One of our traditions: born out of the need for a few moments of quiet, was to pie all the kids into the car and drive around to look at all of the beautiful lights. The sparkling beauty of those Christmas lights shining so brightly through the inky black winters night filled my tired mama's soul with joy, peace and hope. When I put up my Christmas lights each year, I do it in honor of Jesus. He came to shine His light on a very dark and empty world. As I drive around and look at all of the beautiful lights each Christmas season, I'm reminded of the Light of the world that came to bring peace, joy and hope to each of us. Merry Christmas! May all of you feel the hope, joy and peace of Christ this year. I do want to give credit to Chris of Chris Can Do It. I'm too old (and afraid of heights) to climb on the roof anymore, so he hung all of my icicle lights from the rooftop! I highly recommend him for your lighting needs!

THE DELAGRANGE FAMILY • 5620 LITCHFIELD ROAD

Merry Christmas! I'm Allison Delagrange. My husband Ryan and I moved to Arlington Park 14 years ago. Since then, our home has gotten a whole lot louder and crazier as we've grown from a family of 2 to a crew of 6! You might say our lights display has expanded right along with our family. We have an 11-year-old daughter, Alivia, twin 7-year-old boys, Alex and Anthony and a 2-year-old named Ashton. They all take turns begging daddy to put up the lights—even our toddler!! Our kids have made a game out of watching through the window to count how many people slow down or stop completely to admire the lights. It is our hope that your hearts will be filled with joy as you slow down to take in our display, but also pause to remember the reason for this season, the birth of our Savior. Blessings to you and your family! With love from the Delagrange Family.

RICHARDSON/ROTHGEB FAMILY • 7920 FRONTIER AVENUE

The meaning of Christmas for us is the chance to see your family, friends, and those who you love the most. We love to decorate our home to brighten the season for all of those who drive by and take in all we have on display. We hope this year, everyone is able to stay healthy and enjoy a wonderful Christmas together! Thank you, Alex Richardson.

City of Fort Wayne Emergency Snow Route Preparedness is important

During our snow fall season there is a project we can all work on together. When snowfall is predicted, it would be helpful if all vehicles were parked in driveways, in the garage. . . . not on the street. Snow removal is difficult, the team removing snow is working late night hours usually through early morning, during white out conditions.

Each year we have complaints that an area was missed, which can happen. After review we often find that someone had parked their vehicle on the street. When the vehicle is then moved it leaves a large amount of snow in front of/ or behind a vehicle, this causes a bottleneck in traffic, especially in the cul-de-sac's.

The US Postmaster has requested all of us to clear snow one (1) foot from the curb and to shovel out around the mailboxes.

If your neighbor is unable to remove snow due to disabilities or a heart condition. . . . a friendly helping hand is appreciated. (Let me personally thank you in ad-

vance for your good deed)

As in the past if any of you are on call or in need of emergency assistance for health conditions, please contact the office so that you may be placed on the list of first alert snow removal.

To qualify for first snow removal it requires that your health or work is of a emergency nature: Doctor, Nurse, Police, Fire worker. Or any member with special health needs. A list is compiled at the office and is submitted to the snow removal team. As in past years the snow removal will begin with the accumulation of 3" of snow. When weather conditions allow sand and salt will be placed at intersections and the primary roads. Sand/ salt barrels will be placed at the entrance ways. These barrels are filled by the city for use by members during treacherous snow and ice conditions.

If you believe your area has been missed during the normal snow removal, please allow enough time for the crew to pro-

cess through all of the streets. With a team of three trucks it will take approximately 6-7 hours to make one pass completely through the streets in Arlington.
