Public safety departments promote safe, responsible fireworks use

Fort Wayne Fire Department joins with Fort Wayne Police Department and Three Rivers Ambulance Authority to encourage everyone to enjoy fireworks in the safest possible way. "We recommend for everyone's safety that they go to fireworks presented by trained professionals," said District Chief Jim Murua, Fort Wayne Fire Department Fire Marshal. "If they are going to purchase fireworks for private use, we encourage them to use fireworks responsibly and take safety precautions."

Anyone with a fireworks-related complaint is to call the Fort Wayne Police Department at 427-1222.

The Fort Wayne City Ordinance governing the use of fireworks in Fort Wayne which is similar to Indiana's State Fireworks Law which does allow adults age 18 and older to purchase fireworks

for use in Fort Wayne on the user's property, the property of someone who has consented to the use of fireworks, or at a special discharge location designated by the State Fire Marshal.

In the City of Fort Wayne, the fireworks may be used only between 5 p.m. and two hours after dusk (approximately 11 p.m.) from June 29-July 3 and July 5-9. On the day before Memorial Day, Memorial Day, Fourth of July, the day before Labor Day and Labor Day, the hours are extended from 10 a.m. to midnight. For New Year's Eve, the hours are 10 a.m. Dec. 31 until 1 a.m., Jan. 1.

"According to a report from the Indiana State Department of Health, in 2007 48% of all fireworks-related injuries in Indiana involved children and adolescents. They represent a quarter of Indiana's population so this is a concern. Of these injuries,

69% of cases reported burn injuries with burns to the hands being the most common type of burn injury," said Murua. He explained that of all the injuries in 2007, one in five of those injuries involved the eyes with 92% of those injuries due to not using any eye protection. He noted the report also said that fireworks use on private property accounted for 83 % of the reported injuries. "Fireworks injuries are often severe," he added.

Safety is always the key to any activity and this includes fireworks. For your safety, as well as that of your loved ones, neighbors and the community, the Fort Wayne Fire Department suggests you enjoy your fireworks at a professional event. Information regarding Fort Wayne's new Fireworks Law is available at www.FWFD.org, the Internet Site for Fort Wayne Fire Department.

Fourth of July downtown Fort Wayne fireworks set for 10 p.m.

FORT WAYNE, Ind. (WFFT) — The City of Fort Wayne announced Wednesday the Indiana Michigan Power Center in downtown Fort Wayne will again be the location for this year's Fourth of July fireworks show.

The fireworks show is scheduled to begin Monday, July 4 at 10 p.m.

The City of Fort Wayne and the Fort Wayne TinCaps will serve as sponsors for the fireworks display. The TinCaps are hosting a baseball game that day beginning at 6:05 p.m.

Those with tickets to that evening's game will be able to enjoy the fireworks from their seats at the ballpark.

If the TinCaps game is not finished by 10 p.m., the fireworks will begin immediately after the game ends.

Taking Pride in Arlington Park

Arlington Park as a neighborhood has long been considered a pillar of four collective communities as evidenced in the most recent edition of Fort Wayne Magazines "Neighborhoods of Distinction."

Webster's Dictionary defines Neighborhood as "A district or area with distinctive characteristics."

We take that one step further by offering many enviable amenities such as the pools, paths and the golf course, just to name a few.

In order to maintain that distinction, we have to constantly strive to do the things above and beyond what is expected elsewhere so that others who visit our neighborhood will witness a community that is truly a great place to live.

As an active board member that genuinely cares about our home surroundings, I feel when a topic is voted on, it is truly for the benefit of all of the families

that call Arlington Park their home.

So, what's my point? My point is this:

Most of us respect our neighbors and live cohesively in an environment where the phrase, "pride of home ownership" is alive and well.

Some of us are unclear of the concept and do things our of "convenience" losing sight of the big picture.

We all have a responsibility to set the bar to higher standards and respect our fellow neighbors who are: entertaining their friends, trying to sell their house (which helps our home values) or just sitting on the front porch, taking in our surroundings, and marveling at how fortunate we are to live in such a safe, picturesque environment.

Here are a few ways to make this an even better place to live:

ONE CART:

Recycle: The container is provided to use for your combined recyclables. Please store them out of sight after each pickup.

Pet Owners: Carry a bag with you on your walks with a scooper and if your dog is barking...

maybe you should bring it inside.

Noise: It stays lighter longer now, but there are still jobs that we must all get up for, so the mowers, chain saws, and power washers should turn off by 9 p.m.

Parking: RVs, boats and campers. That's great that you have them, but there is NO storage allowed for them in Arlington Park. Storage needs should be met outside of the community.

Garbage: I know the city says that it is ok to place your containers out at noon the day before, but with our pickup being on Monday, we are asking members to wait until 6 p.m. so that those people visiting for open houses, graduations or church events, pull out of Arlington with nothing but well-kept homes in their rear view mirrors?

Pride & Respect: Leading by example. Our children are watching how we treat others and they are the ones that will keep this place a vibrant community to live in the years ahead.

Thank you,
Board of Directors

- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?

• Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs.

Arlington Park Association Board of Directors June 6, 2022 • Meeting

In Attendance: Executive Director Janie Baker, President Lynda Gevers, Vice President Bruce Westendorf, Secretary Kyle Lehman, Roger Hubart, Alayna Hackert, Alex Richardson. Treasurer Harlan Altena, Bruce Westendorf via proxy. Guests Andrew Bower, Mick Stewart.

The meeting was called to order by Lynda Gevers, President at 6 p.m..

Motion to approve May Board Minutes made, seconded and approved.

The board met with Andrew Bower to hear concerns of inadequate drainage on their property along with frustrations this has caused. The Association at this time is unable to provide a proper and informed response to the issue and is awaiting the

results of a final survey that is planned to arrive within a two week period.

The board met with Mick Stewart to discuss changes in insurance coverage for Arlington property and equipment given the fluidity of the market right now. Due to rising replacement costs, premiums will increase \$1,600 per year.

St. Joe Center Entrance Sign: The line powering the lighting for the entrance sign was damaged during River Greenway construction. The estimate to fix the damage is \$3,600. Alternative methods to power the sign will be investigated.

Drainage policy was discussed. A motion to approve the Nuisance Water Policy was made and approved.

Flag football – A flag football program to take place at Rocket Park and managed by Nate Bristol along with the fee structure was discussed. The program will take place the month of July starting on the 6th. During the discussion, the subject of a youth safety and protection policy was also brought up. A motion to approve the flag football program was made and approved.

Shenandoah Circle - A grouping of trees are encroaching on neighboring properties. A motion to cut down the trees at a cost not to exceed \$3,500 was made and approved.

Summer Programs – Pool activity has increased greatly. Staff and lifeguard count have nearly doubled. Tennis and Pickleball programs are doing well.

Fun Days – June 24th, 25th and 26th. Volunteers Needed.

Finance – There was no financial report this meeting.

Motion to adjourn, seconded and passed at 7:45p.m. Next

scheduled meeting will be July 11th, 2022 at 6:00 p.m. due to the July 4th holiday.

Respectfully Submitted,
Kyle Lehman and Janie Baker
Executive Director

Aqua Raves by Marla Nill

After a difficult year to say the least, it is great to see Arlington Park's pools back to where they should be. Countless residents have told me how good it feels to see normalcy at the pools.

Arlington has numerous new lifeguards this year and a couple of returnees, and all have been doing a tremendous job. They are hard-working employees who not only enforce a safe environment, but they also bring an upbeat and outgoing attitude to the pool each day. I have been extremely impressed with each one of them.

The residents of Arlington have also been awesome this summer. I want to thank all of you for also bringing positive attitudes to the pool.

Arlington is bringing back many of the traditions and events of years past. Guests are welcome and there is no guest fee on the 4th of July!

Important info while construction is ongoing in your area

Garbage/Recycle Pickup

If construction is on your side of the street, garbage/recycle carts will need to be placed across the street for collection. It is recommended that residents place a piece of tape with their address on the lid to help identify their carts. In instances where a cul-de-sac is under construction, residents should move their carts to the end of the street outside of the barricades for collection. We recommend setting carts out the night before collection. Trucks will try to service the construction area first thing in the mornings by 6 a.m. before construction starts. In the event a resident has a disability and cannot move their cart outside the construction area, please

contact the Solid Waste Dept. at 427-1345 for assistance.

Unauthorized Removal of Barriers and Barricades

Hereafter whenever the Board of Public Works of the city shall place or cause to be placed any barrier or barricade in or upon any public street, alley or sidewalk in the city because of any repairs or improvements to such street, alley or sidewalk or because of any excavation made therein for public improvements, it shall be unlawful for any person to remove or destroy such barrier or barricade, or to drive any vehicle upon the street, alley or sidewalk or walk or run upon the same. ('74 Code, 25-18) (Ord. 2330,

passed --) Penalty, see 99.999.

99.999 Penalty

Whoever violates any of the provisions of this chapter, for which no specific penalty is otherwise provided, shall, upon conviction thereof, pay a fine of note more than \$2,500. Each day any violation of this code or of any ordinance shall continue shall constitute a separate offense. In all cases where the same offense may be made punishable, or may be created by different clauses or sections of the ordinance of the city, the City Attorney may elect under which to proceed, but not more than one recovery shall be had against the same person for the same offense.

Recreational camp fires need to follow city ordinances

There is a city ordinance that shall be followed whether you are installing a campfire/fire pit, an enclosed bowl type or fire-place type enclosure for a recreational fire, please see the ordinance stated below. With any of these products, please remember to follow all the manufacturers' specifications, directions and any and all guidelines recommended by the manufacturer. Please take all fire safety precautions when cooking or having a recreational campfire.

The following is the city ordinance relating to open burning and recreational camp fires.

The code states this: A bar-

beque pit or grill is a stationary or portable device, with either electric, gas or charcoal fuel, which is used for the preparation of food and is allowed by code, but not within or on balconies of any apartment complex.

A fireplace (like an in-home style whether built or store bought) which is meant to be a part of your deck or patio is not regulated but there are some safety issues to think about which are the same as the rules for a fire pit. A fire pit or campfire which is meant for recreation, scouting events or family cookouts shall be subject to the following conditions listed:

A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire extinguishing shall be readily available at the burn site.

Only wood products shall be burned-no leaves, paper or trash.

A fire shall be attended by a responsible party at all times until completely extinguished.

A fire shall be located at least 25 feet away from any structure, fence or right of way.

A fire shall not exceed an area 3 feet wide by 2 feet high. If the open burning creates a smoke nuisance, or a hazardous condition exists, the open burning shall be immediately extinguished.
