Construction is coming to an area near you!

Good News! We are making repairs or improvements in your area. Here are details to let you know what is being done.

PROJECT LOCATION:	Arlington Park Phase III
PROJECT DESCRIPTION:	Reconstruction of teh Concrete Streets
TRAFFIC DETAILS:	DELAYS, FLAGGERS
APPROXIMATE DATES OF PROJECT:	Target Date: Starting 8/8/22
PROJECT COST/SCOPE:	\$1,300,000.00
CONTRACTOR/CONTACT INFORMATION:	Hipskind Construction

Remember to always drive carefully around a construction zone. If you have any questions, please contact: Project Manager Robert Widner at 260-427-1217 or email: bob.widner@cityoffortwayne.org

Important info while construction is ongoing in your area

Garbage/Recycle Pickup

If construction is on your side of the street, garbage/recycle carts will need to be placed across the street for collection. It is recommended that residents place a piece of tape with their address on the lid to help identify their carts. In instances where a cul-de-sac is under construction, residents should move their carts to the end of the street outside of the barricades for collection. We recommend setting carts out the night before collection. Trucks will try to service the construction area first thing in the mornings by 6 a.m. before construction starts. In the event a resident has a disability and cannot move their cart outside the construction area, please con-

tact the Solid Waste Dept. at 427-1345 for assistance.

Unauthorized Removal of Barriers and Barricades

Hereafter whenever the Board of Public Works of the city shall place or cause to be placed any barrier or barricade in or upon any public street, alley or sidewalk in the city because of any repairs or improvements to such street, alley or sidewalk or because of any excavation made therein for public improvements, it shall be unlawful for any person to remove or destroy such barrier or barricade, or to drive any vehicle upon the street, alley or sidewalk or walk or run upon the same. ('74 Code, 25-18) (Ord. 2330, passed --) Penalty, see

99.999.

99.999 Penalty

Whoever violates any of the provisions of this chapter, for which no specific penalty is otherwise provided, shall, upon conviction thereof, pay a fine of note more than \$2,500. Each day any violation of this code or of any ordinance shall continue shall constitute a separate offense. In all cases where the same offense may be made punishable, or may be created by different clauses or sections of the ordinance of the city, the City Attorney may elect under which to proceed, but not more than one recovery shall be had against the same person for the same offense.

Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: Info@arlingtonpark.net. Before you dig! Arlingtons electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being. Remember, Don't Dig Blind!

Members Do Mind!

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?

• Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs.

Indiana State Fair

July 29-Aug. 21, 2022

The Indiana State Fair is drawing on a longstanding and beloved Hoosier element for its 2022 theme: Celebrating Indiana's Automotive Excellence.

This year, the 165th State Fair will run from July 29 through Aug. 21. The theme will manifest itself during that time by recognizing Indiana's automotive history and contributions worldwide. Celebrity cars from movies and books as well as classic car collections with Hoosier-made vehicles will be among the attractions, according to a release from the fair.

The usual fair favorites will return as well, including carnival rides, imaginative food and free entertainment.

In 2021, the theme was "celebrating all things Indiana and the resiliency of the Hoosier Spirit," which reflected the fair's return after it was canceled in 2020 because of the pandemic.

Thank you so much for awarding me with Yard of the Month for August!

Yardwork is something I have always enjoyed. Choosing what annuals/perennials would look best in my yard and of course how well they would do in what location.

Of course weather conditions determine the success of beauty and growth. Tough year with all the heat and rain, but of course the weeds thriving.

Luckily I have a wonderful neighbor that likes to pick weeds with me so Lily and I can enjoy the pool almost daily.

Thanks again!

Lines From The Links

By Gary Johnson

With the recent torrential rainfall the northeast side of Fort Wayne experienced on July 6th, the Arlington Golf Course suffered some water damage to holes 7 and 8.

The holes were basically underwater for almost 72 hours. This caused some of the grass to die.

Over the next few weeks

we'll be playing the course with a slightly different set up to some of the holes. The changes will be posted at the golf shop.

Everyone renting a golf car will be informed and expected to follow the guidelines that will be laid out for them. Once the reseeding has begun, there should be zero car or foot traf-

fic on those areas.

If we're fortunate enough to have weather conditions suitable for germination things should return to acceptable playing conditions we can all enjoy.

I only ask for everyone to be patient and give this process every chance to succeed.

Thank you.
