## Hey Neighbor!

Hey Neighbor!

It's the most wonderful time of the year (even with the looming pandemic)!

For Arlington residents, the winter holidays bring out joy, anticipation, celebrating traditions, and love of family and friends. Arlington's proud history of celebrating the holiday season is reflected in many years of activities for neighbors. With all the struggles of this year, Arlington continues to offer ways to celebrate the holidays. Let's look at the holidays – Arlington style!

Arlington hosts the annual Display of Lights contest. Residents have the opportunity to decorate the outside of their houses and properties each December. This year, ten homes will be selected to participate in neighborhood voting for the Display of Lights.

To be considered for the 2022 Display of Lights, neighbors wishing to participate should have holiday lights turned on each evening of December 6th, 7th and 8th. Ten homes will be selected for voting.

On December 9th Arlington families may pick up a ballot from the clubhouse and vote

for their favorite light displays. Completed ballots must be returned to the clubhouse by December 11th. The winner will be announced on December 11th. Winners will receive a framed photograph of their decorated home. The grand winner receives a Golf Membership.

This is a fun activity for residents! Plan to pick up a ballot, turn on holiday music, and drive around the neighborhood while voting for your favorite light display.

The trolley ride is a yearly tradition for many Arlington families. The trolley ride began in 1993 as a horse and buggy carriage ride through Arlington. The mode of transportation quickly changed to a trolley in order to accommodate more people. Over the years, Arlington has hired gospel singers, carolers, and Girl Scout troops to sing at the clubhouse between rides. For a few years, there was even a magician to entertain riders between trolley rides. Neighbors have enjoyed cookies from New Haven Bakery since 1985. In more recent years, Joe Trent has served

## Patrick & Michelle Herrold of Varsity Photo are AP members

Michelle Herrold grew up in Arlington Park with her parents Steve and Arlene Steiner. The Steiners were always very active in the community. For years they were known for taking premiere school and sports photos. The Swim Team relied on them each year for our team photo.

The Steiners owned two properties in Arlington and eventually built their second home at 9034 Laurel Hurst Place.

When Steve and Arlene retired, the business and the property on Laurel Hurst became the opportunity for Patrick and Michelle to take the family business for their legacy.

Varsity Photo was founded by Steve and Arlene Steiner in 1972. Michelle (Steve and Arlene's daughter) and her husband Patrick Herrold became owners in 2004. They are happy to be able to continue the family business. Both Patrick and Michelle are former teachers. When pho-

tographing students and athletes, their teaching background has been very beneficial. The Herrolds really enjoy working with all the students, athletes, coaches, administrators and parents. Working with Fort Wayne and the surrounding communities has given them much joy over the years!

Varsity Photo continues to specialize in school portraits as well as school and league sports. They also photograph marching bands, dance schools, class reunions, as well as other special events. The main goal for Varsity Photo has always been to provide families with high quality photos and products at affordable prices. They offer their customers a wide array of custom digital products as well as standard prints. Having a fully-equipped digital lab ensures excellent quality and fast turnaround time.

Michelle married Patrick Her-

rold and they chose Arlington Park to raise their two children, Nicholas and Michael. Patrick and Michelle have taken great pride in Arlington Park and have sponsored, for over 20 years, the photos for the Display of Lights.

A great family and business owner in Arlington Park!

as resident commentator on trolley rides.

The first Arlington Children's party took place in 1982 with the completion of the clubhouse. By 1984, the party included a ballet performance, and Wolf and Des-sauer's Santa. Paul Saalfield, of One Hour Photo, provided photographs of children with Santa. In the party's early years, Santa gathered boys and girls for a talk and an opportunity to ask Santa questions. One yearly asked question was, "How old are you?" Santa always replied that he was as old as the hills and the seas.

This year's Arlington Children's Party is on December 10th from 10 a.m. to noon. Call the office to register your children or grandchildren.

## Arlington Park Security

As the holiday season starts getting close, home burglaries seem to increase. It is hard to pinpoint any specific circumstance that would definitely trigger a burglary, but one factor seems to stand out. The burglar has to have a way of knowing you are not home at that time. It might be that he is parked nearby as you leave or he could be just driving by about the time you pull out of your driveway.

Do you watch for strangers as you leave your house? Do you leave lights on or the radio playing when you are away? Following these tips will not guarantee that your house will not be burglarized, but these actions will reduce your odds of becoming a victim of burglary. Not displaying newly purchased household goods by breaking down boxes and placing them in a black garbage bag will hide what you possess now.

# Arlington Park after Midnight....and more

*December Issue  
Re-Print*

Ohhhhh!!!! the weather outside is frightful....just be glad you aren't listening to me sing that while I write it.

By the time you read this, we will be in the thick of the holiday season complete with egg nog, football parties, warm fires, egg nog, holiday traditions, school breaks and finally, egg nog.

(Did you know that experts would have it that the "nog" of eggnog comes from the word "noggin." A noggins was a small, wooden, carved mug. It was used to serve drinks at table in taverns (while drnks beside the fire were served in tankards).

It is thought that eggnog started out as a miture of Spanish "Sherry" and milk.

the English called this concoction "Dry sack posset." It

is very easy to see how an egg drink in a noggin could become eggnog.

The true story might be a mixture of the two and eggnog was originally called "egg and grog in a noggin." This was a term that required shortening if ever there was one.

## **Rich Eggnog! - Recipie 1**

6 Large Eggs  
3/4 c Sugar  
1 1/2 c Brandy  
1/2 c Rum  
4 c Milk  
4 c Cream  
1/2 c Icing sugar  
Nutmeg to sprinkle

Separate the yolks form the whites of the eggs. Beat the yolks slowly while simultaneously adding the sugar; do this until the mixture is pale adn golden. Now slowly add

in the brandy and rum, then beat in the milk and half the cream.

Set aside until just before serving, then whisk the egg whites until stiff adn fold them into the eggnog mixture. Whip the remaining cream and icing sugar until thick. Top each glass of eggnog with whipped cream and shake of nutmeg. this yields eight servings.

Not an egg nog lover?...neither am I, but our family is always up for the other activities.

With the cold aire here for awhile, it is very important to renew a few safety rules that are important for our neighborhood to remain safe..

There has been a few attempted car and home break-ins in the last couple of weeks that we refuse to downplay as we want neighborhood awareness on these matters.

Please remember to always lock your doors/windows wven when you are home.

Keep your garage door closed at all times.

Keepy yor yard lights on all night.

If you have autos parked in teh driveway have nothing valuable inside and keep them locked up.

When we have a forecast for snow, please keep cars off the street so that the plows can make their way through.

There are (3) levels of Snow emergency:

LEVEL 1: Roadways are hazardous with blowing and driftng snow. Roads may also be icy. Drive carefully.

LEVEL 2: Roadways are hazardous with blowing and drifting snow. Only those who feel it is necessary to drive should be out

on the roads. Contact your employer to see if you should report to work.

LEVEL 3: All roadways are closed to non-emergency personnel. No one else should be out during these condiitons unless it is absolutely necessary to travel or a personal emergency exists. All employees should contact their employer to see if they should report to work. Those traveling on the roads may subject themselves to arrest.

Officially, the National Weather Service defines a blizzard as large amounts of falling OR blowing snow with winds in excess of 35mph. and visibilty of less than 1/4 of a mile for an extended period of time (greater than 3 hours). German settlers in Iowa originally coined the word blizzard, coming from the word blitzrtig, meaning "Lightning-like."

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?
- Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs.
