ITEMS THAT SHOULD NOT BE IN SEWERS:

Catch basins and sewer inlets are for rainwater and melting snow only. Crews from the City of Fort Wayne's Water Pollution Control Maintenance Department, the department responsible for cleaning catch basins and storm sewer inlets, recently pulled a number of unusual items out of some City sewers including: boots, cellular telephones, VCRs, realtor signs, buckets and file cabinet drawers.

These items should NOT be put into storm sewer inlets.

The only thing that should ever go into a storm sewer is rainwater or melting snow.

NEVER PUT ANY OF THESE ITEMS INTO A STORM SEWER INLET:

Automobile fluids like oil or anti-freeze, leaves, sand or topsoil, grass clippings or other yard wastes, scrap lumber or any chemicals.

Clogged catch basins and inlets can cause many problems including odors, street flooding, even injury to maintenance employees.

In addition, children should NEVER play in or around storm sewer inlets or manholes. For storm or sanitary sewer questions or emergencies, please call 311.

Fishing

Fishing is permitted in the lake areas of Brittany Village, Shenandoah Circle and Lake Crystal. Because we are privately owned a fishing license is not required.

The current harvesting rule is: No size limit on Bluegill, but Bass must be a minimum of 14 inches long to keep or they must be returned to the lake.

Allen County Conservation Office Phone: 260-484-5848.

1. Arlington Park residents only. (ID required).
2. Fishing equipment must be picked up when leaving.
3. No motor boats of any kind are allowed.

Trash out of Sight

The Board of Directors has asked members to keep their trash bins and one flow recycle bins out of sight, a community pride campaign. Please hold off putting out trash until after 5 p.m. on Sunday evenings and to store them inside the garage when possible. If you do not have storage space inside the garage, please find an area on th side of the home that is least visible to the neighbors. *Thank you!*

Having a Party?

Tables and chairs are available at the clubhouse for your special event. to make a reservation contact the clubhouse at 260-486-1967, up to 30 days in advance. As members of the community you have use of the tables and chairs for 72 hours, a total deposit of \$10 is charged. The deposit is returned once the tables and chairs are brought back to the clubhouse.

Please plan to have help available to load and unload tables and chairs as needed.

Member Library

Calling all avid readers! The community is asking all members to consider donating hardback books to the clubhouse to set up a library. It was a suggestion received via our surveys and it sounded like a great idea. Members are able to check out the books by using their member ID. The clubhouse features two game tables, comfy couches and hot tea to sip while setting by the fireplace. Please plan to stop by, read and relax!

Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: Info@arlingtonpark.net. Before you dig! Arlingtons electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being. Remember, Don't Dig Blind!

Members Do Mind!

- Do you allow your dog to bark relentlessly?
 - Do you let your dog off leash to cruise the park?
 - Do you let your cat or dog outside to run the neighborhood?
 - Do you fail to scoop up after your dog or cat in public areas?

School bus transportation is safe. In fact, buses are safer than cars! Even so, last year, approximately 26 students were killed and another 9,000 were injured in incidents involving school buses. More often than not, these deaths and injuries didn't occur in a crash, but as the pupils were entering and exiting the bus.

Stay away from the bus until it comes to a complete stop and the driver signals you to enter.

Stay away from the bus until the driver gives his/her signal that it's ok to approach.

Keep a safe distance between you and the bus. Also, remember that the bus driver can see you best when you are back away from the bus.

Have a safe place to wait for your bus, away from traffic and the street.

Be aware of the street traffic around you. Drivers are required to follow certain rules of the road concerning school buses, however, not all do.

When being dropped off, exit the bus and walk ten giant steps away from the bus.

Use the handrail to enter and exit the bus.

Protect yourself and watch out!

School bus safety tips for drivers and children

Every school day 23 million children ride a big yellow bus. While school buses are one of the safest models of transport, there are real risks in getting on and off and walking to bus stops. The National Highway Traffic Safety Administration (NHTSA) has offered some tips to help students, parents and motorists be safe around buses.

Tips for Drivers:

When backing out of a driveway or leaving a garage, watch out for children walking or bicycling to school. Better yet, walk around your car or out to the sidewalk to check for any children walking your path before you get in.

Drive slowly and watch for children walking in the street, especially if there are no sidewalks. Also be aware of children playing or waiting around bus stops.

Be alert and aware on the road. While children are typically taught about looking both ways, they could dart into the street without looking if they are late or distracted.

Learn the school bus laws in your state. Yellow flashing lights indicate that the bus is preparing to stop to pickup or drop off children. Drivers need to slow down and prepare to stop. Red flashing lights and an extended stop arm signal

indicate that the bus is stopped and that children are getting on or off. Cars must stop a safe distance away and not proceed until the red lights stop flashing, the stop signs folds back and the bus continues on its way.

Tips for children:

Get to the bus stop at least five minutes before the bus is scheduled to arrive.

When the bus approaches, stand at least 6 feet away from the curb, and line up away from the street.

Wait until the bus stops, the door opens and the driver says that it's okay before stepping onto the bus.

If you have to cross the street in front of the bus, walk on the sidewalk to a point at least 10 feet ahead of the bus before you cross. Be sure that the bus driver can see you and you can see the bus driver.

Use the handrails to avoid falls. When exiting the bus, be careful that clothing or backpacks don't get caught in the handrails or doors.

Never walk behind the bus.

If you drop something near the bus, tell the bus driver. Never try to pick it up because the driver may not be able to see you.

For more information see our kids and car safety guide.

**Arlington Park Association
Board of Directors Meeting
July 10, 2023**

In attendance: Executive Director Lynda Gevers, President Bruce Westendorf, Secretary Kyle Lehman by Proxy, Alayna Hackert, Sarah Garman, Shaunnette Mildred and Roger Hubart. Guests Bob Gevers and Eric Armbruster.

The meeting was called to order by Lynda Gevers, President, at 6:02 p.m.

Special Guest Eric Armbruster discussed a proposal for the wooded common ground area between Laurel Hurst and Creek Ridge Place. Without as built surveys provided or required from 1986, moving towards a resolve for drainage issues were suggested. A presentation, including 720 lineal feet of 6" dual tile installed with 7 catch basins through the wooded area was recommended upon approval of the Allen County Surveyor. A motion was made and approved to move forward with the project, not to exceed \$19,000 for the installation as the early as August of 2023.

Motion to approve June Board Minutes made, seconded, and passed.

Janie reviewed a request for the modification of our current policy for the family and adult swim hour. The Board discussed options. A poll via the website will be issued for homeowners to vote.

The age study completed and confirmed 845 children in Arlington. Age groupings respectively. The study is utilized to determine upgrades and modifications to play areas.

A new social event, Painting

with a Twist, is scheduled for September 21st at the Arlington Clubhouse from 7 p.m. to 8:30 p.m. A fall theme picture was selected. <https://www.painting-withatwist.com/manageevent/code/934D6CBDF4107/> to register.

Janie gave the treasurers report in Harlan's absence. Ninety-nine percent of dues have been collected through the end of June. \$114,238.63 in long term expenditures to date. In June the color coating on Tennis Court 1-2-3-4 and 5 was completed. The merry-go-round in Saucer Park has been installed.

Committee for Pool Expansion: Bruce gave a presentation of ideas and concepts to the board including parking expansion, water slides and features, increased seating areas and other conveniences with a focus on engaging all age groups. It was noted that splash pads need frequent high maintenance.

A motion to initiate a policy for video surveillance. Upon review it was adopted that only authorized staff or law enforcement would have access to the video to protect member privacy and safety. Motion was seconded and approved.

Janie began the annual tour with the Board of Directors to review the current assets in Arlington to include buildings, pools, equipment, ponds, play areas, golf course, bridges and grounds.

Next scheduled meeting will be Aug. 7, 2023 at 6 p.m.

Respectfully submitted,
Alayna Hackert and Janie baker, Executive Director.
