Taking Pride in Arlington Park

Arlington Park as a neighborhood has long been considered a pillar of four collective communities as evidenced in the most recent edition of Fort Wayne Magazines

“Neighborhoods of Distinction.” Webster’s Dictionary defines Neighborhood as “A district or area with distinctive characteristics.”

We take that one step further by offering many enviable amenities such as the pools, paths and the golf course, just to name a few.

In order to maintain that distinction, we have to constantly strive to do the things above and beyond what is expected elsewhere so that others who visit our neighborhood will witness a community that is truly a great place to live.

As an active board member that genuinely cares about our home surroundings, I feel when a topic is voted on, it is truly for the

benefit of all of the families that call Arlington Park their home.

So, what’s my point? My point is this:

Most of us respect our neighbors and live cohesively in an environment where the phrase, “pride of home ownership” is alive and well.

Some of us are unclear of the concept and do things our of “convenience” losing sight of the big picture.

We all have a responsibility to set the bar to higher standards and respect our fellow neighbors who are: entertaining their friends, trying to sell their house (which helps our home values) or just sitting on the front porch, taking in our surroundings, and marveling at how fortunate we are to live in such a safe, picturesque environment.

Here are a few ways to make this an even better place to live:

ONE CART:

Recycle: The container is provided to use for your combined recyclables. Please store them out of sight after each pickup.

Pet Owners: Carry a bag with you on your walks with a scoo-

per and if your dog is barking... maybe you should bring it inside.

Noise: It stays lighter longer now, but there are still jobs that we must all get up for, so the mowers, chain saws, and power washers should turn off by 9 p.m.

Parking: RVs, boats and campers. That’s great that you have them, but there is NO storage allowed for them in Arlington Park. Storage needs should be met outside of the community.

Garbage: I know the city says that it is ok to place your containers out at noon the day before, but with our pickup being on Monday, we are asking members to wait until 6 p.m. so that those people visiting for open houses, graduations or church events, pull out of Arlington with nothing but well-kept homes in their rear view mirrors?

Pride & Respect: Leading by example. Our children are watching how we treat others and they are the ones that will keep this place a vibrant community to live in the years ahead.

Thank you,
Board of Directors

Fourth of July Fireworks event set for downtown Fort Wayne

The City of Fort Wayne today announced Indiana Michigan Power Center in downtown Fort Wayne will again be the location for this year’s Fourth of July fireworks show on Tuesday, July 4. The fireworks show is scheduled to begin at 10 p.m.

The City of Fort Wayne and the Fort Wayne TinCaps will serve as sponsors for the fireworks display.

City leaders are appreciative that the Fort Wayne TinCaps have been proud partners with the community for eight years as financial sponsors. The City would also like to thank NAI Hanning & Bean and Indiana Michigan Power (I & M) for partnering with the City on the use of the Indiana Michigan Power Center.

The TinCaps will be hosting a baseball game that evening beginning at 6:05 p.m. Individuals with tickets to that evening’s game will be able to enjoy the fireworks from their seats at the ballpark. If the TinCaps games is not completed by 10 p.m. the fireworks will begin immediately following the conclusion of the game.

From Poolside: Trowbridge Band played during Fun Days

Trowbridge is a five piece original jam band based in Fort Wayne. They performed pool side at Arlington Park on Friday, June 23 during their annual Fun Days celebration. According to those who attend the event, the band played high

energy music.

Their primary genres consist of blues, jazz, alternative, indie and funk.

The band started with Sam Trowbridge who wrote his first album “The Painter” last year. He gathered a

group of very talented musicians! Austin Cottrell on drums, Brandon Eiferd on keys, Dylan Butterfield on bass and Ashton Morris on saxophone.

Sam is the lead/guitar player and studies music production

and song writing. His music can be found on Spotify, Apple and anywhere else music is streamed under Sam Trowbridge.

Also thank you to those members who attend the pool side event.

Prepare for a safe 4th of July

Fort Wayne Fire Department joins with Fort Wayne Police Department and Three Rivers Ambulance Authority to encourage everyone to enjoy fireworks in the safest possible way. "We recommend for everyone's safety that they go to fireworks presented by trained professionals," said District Chief Jim Murua, Fort Wayne Fire Department Fire Marshal. "If they are going to purchase fireworks for private use, we encourage them to use fireworks responsibly and take safety precautions."

Anyone with a fireworks-related complaint is to call the Fort Wayne Police Department at 427-1222.

The Fort Wayne City Ordinance governing the use of fireworks in Fort Wayne which is similar to Indiana's State Fireworks Law which does allow adults age 18 and older to purchase fireworks for use in Fort Wayne on the user's property, the property of someone who has consented to the use of fireworks, or at a special discharge location designated by the State Fire Marshal.

In the City of Fort Wayne, the fireworks may be used only between 5 p.m. and two hours after dusk (approximately 11 p.m.) from June 29-July 3 and July 5-9. On the day before

Memorial Day, Memorial Day, Fourth of July, the day before Labor Day and Labor Day, the hours are extended from 10 a.m. to midnight. For New Year's Eve, the hours are 10 a.m. Dec. 31 until 1 a.m., Jan. 1.

"According to a report from the Indiana State Department of Health, in 2007 48% of all fireworks-related injuries in Indiana involved children and adolescents. They represent a quarter of Indiana's population so this is a concern. Of these injuries, 69% of cases reported burn injuries with burns to the hands being the most common type of burn injury," said Murua. He explained that of all the injuries in 2007, one in five of those injuries involved the eyes with 92% of those injuries due to not using any eye protection. He noted the report also said that fireworks use on private property accounted for 83 % of the reported injuries.

"Fireworks injuries are often severe," he added.

Safety is always the key to any activity and this includes fireworks. For your safety, as well as that of your loved ones, neighbors and the community, the Fort Wayne Fire Department suggests you enjoy your fireworks at a professional event. Information regarding Fort Wayne's new Fireworks Law is available at www.FWFD.org, the Internet Site for Fort Wayne Fire Department.

Please plan to have help available to load and unload tables and chairs as needed.

Member Library

Calling all avid readers! The community is asking all members to consider donating hardback books to the clubhouse to set up a library. It was a suggestion received via our surveys and it sounded like a great idea. Members are able to check out the books by using their member ID. The clubhouse features two game tables, comfy couches and hot tea to sip while setting by the fireplace. Please plan to stop by, read and relax!

Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: Info@arlingtonpark.net. Before you dig! Arlingtons electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to being. Remember, Don't Dig Blind!

Arlington has numerous new lifeguards this year and a couple of returnees, and all have been doing a tremendous job. They are hard-working employees who not only enforce a safe environment, but they also bring an upbeat and outgoing attitude to the pool each day. I have been extremely impressed with each one of them.

The residents of Arlington have also been awesome this summer. I want to thank all of you for also bringing positive attitudes to the pool.

Arlington is bringing back many of the traditions and events of years past. Guests are welcome and there is no guest fee on the 4th of July!

Family Communication Plan

Emergencies can happen at any time. Does your family know how to get in touch with each other if you are not all together?

Before an emergency happens, have a family discussion to determine who would be your out-of-state point of contact, and where you would meet away from your home — both in the neighborhood and within your town.

Let them know you're OK!

Pick the same person for each family member to contact. It might be easier to reach someone who's out of town.
