FOR YOUR INFORMATION

### Please check your yardlights

As fall approaches and the leaves begin to change colors many of you will be taking advantage of our trails. We ask you to please notify the clubhouse via phone or email if you notice any damaged or burned out greenway lights so we can repair them as soon as possible. Each light is individually numbered and that is the only information that we will need.

Also, we are asking that all residents replace their front yard lights in a timely manner when they burn out.

Thanks for your help! Call 486-1967 or Info@arlingtonpark.net.

As homeowners you may be purchasing internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood.

Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents who are planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us at: Info@arlingtonpark.net before you dig!

Arlington's electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before digging is to begin. Remember: Don't Dig Blind! and Thank you for your help to eliminate future damage.

Also, did you know that the Arlington Clubhouse stocks, at cost, replacement photo cells, lights, bulbs, sockets and panes of glass?

The Board of Directors has asked members to keep their trash bins and one flow recycle bins out of sight, a community pride campaign. Please hold off putting out trash until after 5 p.m. on Sunday evenings and to store them inside the garage when possible. If you do not have storage space inside the garage, please find an area on the side of the home that is least visible to the neighbors. *Thank you!*

## Neighborhood Leaf Pickup schedule listed

Leaves are beginning to change color and fall, so Fort Wayne Street Department crews are gearing up for leaf collection starting the morning of Oct. 29th.

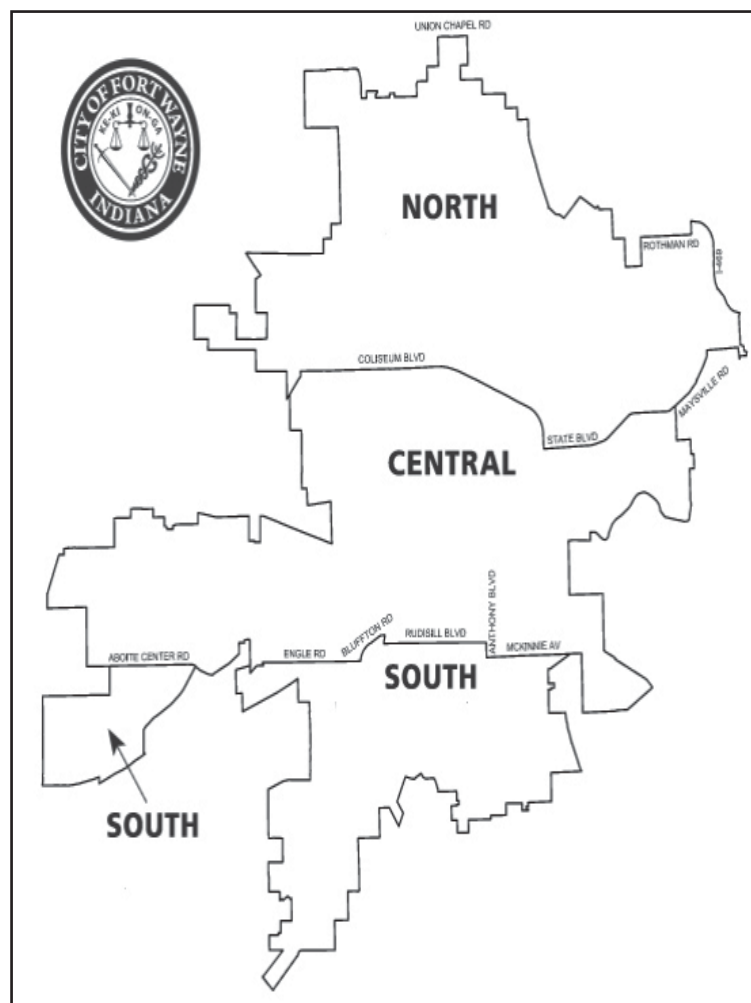

Collections will occur two times in each of the city's more than 400 neighborhoods, with the last week of collection starting in December.

For curbside leaf pick-up residents should rake leaves to the curb or park strip in front of their home, but not into the street. Leaves should be in the park strip by 7 a.m. on Monday of the week the leaves are to be collected for your area. Other yard waste should not be mixed with the leaves.

Residents can access daily collection updates at [cityoffortwayne.org/leaves](http://cityoffortwayne.org/leaves). There they will find a neighborhood schedule updated daily, collection map and general leaf collection information. This daily update will soon and residents can call 427-2302 for daily updates.

You can also schedule a pick-up if you place your leaves in biodegradable bags by calling 311. The bags should be placed at the curb and will be collected within two business days of the call.

Don't put leaves in your trash or recycling cart. This is against state law, and burning leaves

is a violation of city code and can result in a fine. Don't place leaves in or over storm drains.

Parents should remind children to not play in leaf piles near the street.

### Overall Schedule:

Schedule	1st Round	2nd Round
Central	Nov 6-Nov 9	Dec 4-Dec 8
South	Nov 13-Nov 18	Dec 11-Dec 15
North	Oct 30-Nov 3	Nov 27-Dec 1

### Tips to Keep in Mind

- Rake Leaves to the park strip by 7 a.m. on the first day of the week when crews will be in your area.

- Don't burn leaves. It's a violation of city Code and can result in a fine.
- Don't place leaves in the street.
- Don't place leaves in storm drains.
- To schedule a pickup place your leaves in brown paper biodegradable leaf bags. Set them at the curb and call 311. The leaf bags will be collected within (2) business days of your call to 311.
- Weather conditions or the volume of leaves in a particular area may cause the planned schedule to change. The list of pick-up locations will be updated daily by 3 p.m. you may also contact the Leaf Hotline: 427-2302 or the Citizens Services Center at 311 with questions or [cityoffortwayne.org/leaves](http://cityoffortwayne.org/leaves).

## Hey Neighbor...Arlington Park Welcomes You to the neighborhood

Welcome to Hey, Neighbor! We hope you find this new regular column to be upbeat, informative, and enlightening. This column is meant to provide information on various monthly topics, while incorporating suggestions for how we can all be good neighbors. We also plan to share fun facts about the history of Arlington Park, our Members, and happenings throughout the neighborhood. As always, while this column is written by Arlington Park Board Members, and we hope we occasionally give insight into the often difficult decisions the Board makes, any opinions expressed in the articles written are those of the writers only, and are not intended in any way to represent the Board as a whole. What does it mean to Be a "Good Neighbor"?

1. Be Giving - You know that saying--'do unto others as you would have them do unto you.' That's what we mean here and it's what being a good neighbor is all about! If a neighbor does something nice for you, pay it forward by doing something nice for another neighbor even if no one knows it's you.

2. Be Friendly - You don't always have to go above and beyond to be a decent neighbor. Smiling at your neighbors when they drive by or saying hello when you see them can go a long way. Remaining friendly even to those not-so-nice neighbors can go a long way. You never really know what could be going on behind the scenes.

3. Be Tidy - No one likes a messy neighbor. Even if you don't mind

when your yard or home is messy, be courteous to neighbors who do. After all, your neighborhood is their neighborhood too!

4. Be Quiet (ish) - Ok--maybe you're not throwing loud and outrageous parties every night. But either way, a good neighbor should be noise-conscious. If you're planning on hosting a get together and think it might get a little loud, let your neighbors know ahead of time. Or better yet, invite your neighbors to join you!

5. Be Welcoming - Taking the time to just say hello when you see your neighbor outside could go along way. Don't forget that smiles are free and aren't that hard to produce if you put your mind to it. As you can see, being a good neighbor is simple! When it comes

down to it, being a good neighbor is all about being courteous. Trees, for many people, are a blessing and a curse. In the Spring we witness the budding of the trees and many varieties that provide gorgeous blooms that welcome the warming weather after our long, gray Winter. In the Summer, our trees provide much needed shade and the sound of the wind blowing through their leaves evokes a calming sensation. In the first part of Fall, we see the trees give off amazing colors- but then the leaves start to fall. And for many of us, that's where our trees become burdensome. Be a good neighbor this fall season. Be mindful of your leaves throughout the fall. This might mean multiple clean ups, for example, so your leaves are not blowing into your neighbor's

yard. It also means keeping sewers and drainage swales (those sloped areas of your lawn that direct rain-water) clear of leaves. Perhaps you have an elderly neighbor that would greatly appreciate someone rounding up their leaves for them. If you can't physically assist your elderly neighbor, maybe you can help find someone who can. Many of our neighborhood youths also advertise fall clean up for a fair price. Being a good neighbor also means understanding that leaf piles will accumulate in the roads, so slowing down and not deliberately running over these piles is the right thing to do. You should also avoid leaf piles near mailboxes, as our letter carriers need full access to properly deliver our mail. The fall is also an ideal time to care for your trees. Having

## PREPARING FOR FALLING RAIN AND LEAVES

### NEIGHBORS HELPING NEIGHBORS

Sometimes heavy rains can totally overwhelm Fort Wayne's storm sewer system. In autumn, falling leaves can block storm drain inlets causing standing water and localized flooding even during smaller rain storms. You and your neighbors can protect your property and help ensure that emergency and other vehicles have access to your neighborhood by doing the following:

**KEEP THE DRAINS CLEAR**

**1.** Be a good neighbor and remove leaves and other debris from the gutters and storm sewer inlets near your home **before** it rains. This helps in several ways:

- Helps prevent street flooding during future rain storms
- Keeps your neighborhood looking tidy and well maintained

**2.** If you notice that your street is flooding, clear accumulated leaves and debris from storm sewer inlets to keep the water flowing.

**3.** Manage yard waste properly by keeping it out of the street and storm drain.

**4.** Never pour chemicals, grease, oil, paint or any other fluids down storm sewers.

Fort Wayne's Street Department employees will be picking up leaves and will clean leaves off the streets this fall. But the City also relies on your efforts as a good neighbor to reduce flooding and protect property in your neighborhood.

## Fall is the best time to landscape! Remember to call before you dig at 1-800-382-5544 or 811

Plan ahead. Don't go digging up trouble. Before you do any extensive digging or construction on your property or public lands.

If you will be digging, along the back sidewalk, please contact Arlington office at 486-1967 to have the greenway lighting located. Community lighting is not included in the underground service and does require a call to the office.

## TICKETS ON SALE NOW!

Make plans now for our old-fashioned trolley ride and enjoy the beautiful color of the Seasonal lights in Arlington Park. At \$6 per person, a perfect way to start a family tradition with your children. # Fire Department offers reminder to avoid open burning

As the leaves begin to fall from the trees, people look for ways to remove them. For those considering burning leaves, twigs or trash that have accumulated on their lawns, the Fort Wayne Fire Department reminds everyone to avoid open burning as a general rule.

FWFD Fire Marshal Jim Murua says, "No one is to kindle or maintain open burning consisting of a trash fire, leaf fire, refuse fire, or other open burning according to Fort Wayne City Code."

He explains that there are two exemptions allowed under certain conditions:

1. Bonfire celebrating school pep rallies are on exemption which requires obtaining a Burn Permit from FWFD at least 24 hours in advance of the permitted open burning. Call 427-1102 for more information or with questions.

2. Recreational camp fires for scouting or family cookout activities are allowed without a permit and a subject to the conditions listed below.

These exemptions must be subject to the following:

- A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire-extinguishing equipment shall be readily available at the burn site.

- Only wood products shall be burned. No leaves, paper or trash.

- A fire shall be attended by a responsible party at all times until completely extinguished.

- A fire shall be located at least 25 feet away from any structure, fence or right of way.

- A fire shall not exceed an area three feet wide by two feet high.

- Anyone who recklessly, knowingly or intentionally kindles, or maintains any open burning consisting of a trash fire, leaf fire, bonfire, refuse fire, or other open burning that damages property of another person may be liable for criminal mischief.

- Any person who maintains burning of combustible materials out of doors or open burning not permitted shall be in violation and may be fined \$50. If the violator does not appear in response to a notice issued to them within a period of 30 calendar days from the date and time shown on the notice, the penalty shall be \$75. Repeat violators will be fined.

Please take the extra necessary to exercise safety at all times.
