FORT WAYNE, INDIANA

ARLINGTON NEWS & VIEWS 1

Taking Pride in Arlington Park

Arlington Park as a neighborhood has long been considered a pillar of four collective communities as evidenced in the most recent edition of Fort Wayne Magazines

“Neighborhoods of Distinction.” Webster’s Dictionary defines Neighborhood as “A district or area with distinctive characteristics.”

We take that one step further by offering many enviable amenities such as the pools, paths and the golf course, just to name a few.

In order to maintain that distinction, we have to constantly strive to do the things above and beyond what is expected elsewhere so that others who visit our neighborhood will witness a community that is truly a great place to live.

As an active board member that genuinely cares about our home surroundings, I feel when a topic is voted on, it is truly for the

benefit of all of the families that call Arlington Park their home.

So, what’s my point? My point is this:

Most of us respect our neighbors and live cohesively in an environment where the phrase, “pride of home ownership” is alive and well.

Some of us are unclear of the concept and do things our of “convenience” losing sight of the big picture.

We all have a responsibility to set the bar to higher standards and respect our fellow neighbors who are: entertaining their friends, trying to sell their house (which helps our home values) or just sitting on the front porch, taking in our surroundings, and marveling at how fortunate we are to live in such a safe, picturesque environment.

Here are a few ways to make this an even better place to live:

ONE CART:

Recycle: The container is provided to use for your combined recyclables. Please store them out of sight after each pickup.

Pet Owners: Carry a bag with you on your walks with a scoo-

per and if your dog is barking... maybe you should bring it inside.

Noise: It stays lighter longer now, but there are still jobs that we must all get up for, so the mowers, chain saws, and power washers should turn off by 9 p.m.

Parking: RVs, boats and campers. That’s great that you have them, but there is NO storage allowed for them in Arlington Park. Storage needs should be met outside of the community.

Garbage: I know the city says that it is ok to place your containers out at noon the day before, but with our pickup being on Monday, we are asking members to wait until 6 p.m. so that those people visiting for open houses, graduations or church events, pull out of Arlington with nothing but well-kept homes in their rear view mirrors?

Pride & Respect: Leading by example. Our children are watching how we treat others and they are the ones that will keep this place a vibrant community to live in the years ahead.

Thank you,
Board of Directors

Fourth of July Fireworks event set for downtown Fort Wayne

The City of Fort Wayne today announced Indiana Michigan Power Center in downtown Fort Wayne will again be the location for this year’s Fourth of July fireworks show on Thursday, July 4. The fireworks show is scheduled to begin at 10 p.m.

The City of Fort Wayne and the Fort Wayne TinCaps will

serve as sponsors for the fireworks display. City leaders are appreciative that the Fort Wayne TinCaps have been proud partners with the community for nine years as financial sponsors. The City would also like to thank NAI Hanning & Bean and Indiana Michigan Power (I & M) for partnering with the City on the use of the Indiana Michigan Power Center.

The TinCaps will be hosting a baseball game that evening beginning at 6:05 p.m. Individuals with tickets to that evening’s game will be able to enjoy the fireworks from their seats at the ballpark. If the TinCaps game is not completed by 10 p.m. the fireworks will begin immediately following the conclusion of the game.

All residents at Arlington Park can work together

As summer is now upon us, and there is so much going on here at Arlington, with the pool and golf course open, great weather for Tennis and Pickleball, playground and all outside activities. Let’s just make sure that we are all being aware of

our surroundings, ensuring that the whole community is helping Arlington stay beautiful by taking pride in what goes on. Making sure that a residents we are cleaning up after our pets, utilizing the doggies stations. Reminding our children not to

cut through a neighbor’s yard to get to the playground area, but rather to utilize the sidewalks. Ensuring that trash cans are kept to the sides of homes, that the lawns are kept mowed and free of trash and debris, etc. Thank you so much to

those of you who have reached out with suggestions regarding landscaping and flowers, as well as keeping us on our toes as areas of need pop up, and for your patience when we experienced so much rain that we were unable to maintain

our common areas as we would have liked. It definitely takes a Village to maintain such a large area, and if we continue to work as a community Arlington will continue to thrive and shine! THANK YOU! COMMUNITY PRIDE!

Safety precautions is key for a safe 4th of July

Fort Wayne Fire Department joins with Fort Wayne Police Department and Three Rivers Ambulance Authority to encourage everyone to enjoy fireworks in the safest possible way. "We recommend for everyone's safety that they go to fireworks presented by trained professionals," said District Chief Jim Murua, Fort Wayne Fire Department Fire Marshal. "If they are going to purchase fireworks for private use, we encourage them to use fireworks responsibly and take safety precautions."

Anyone with a fireworks-related complaint is to call the Fort Wayne Police Department at 427-1222.

The Fort Wayne City Ordinance governing the use of fireworks in Fort Wayne which is similar to Indiana's State Fireworks Law which does allow adults age 18 and older to purchase fireworks for use in Fort

Wayne on the user's property, the property of someone who has consented to the use of fireworks, or at a special discharge location designated by the State Fire Marshal. In the City of Fort Wayne, the fireworks may be used only between 5 p.m. and two hours after dusk (approximately 11 p.m.) from June 29-July 3 and July 5-9. On the day before Memorial Day, Memorial Day, Fourth of July, the day before Labor Day and Labor Day, the hours are extended from 10 a.m. to midnight. For New Year's Eve, the hours are 10 a.m. Dec. 31 until 1 a.m., Jan. 1.

"According to a report from the Indiana State Department of Health, in 2007 48% of all fireworks-related injuries in Indiana involved children and adolescents. They represent a quarter of Indiana's population so this is a concern. Of these injuries, 69% of cases reported burn in-

juries with burns to the hands being the most common type of burn injury," said Murua. He explained that of all the injuries in 2007, one in five of those injuries involved the eyes with 92% of those injuries due to not using any eye protection. He noted the report also said that fireworks use on private property accounted for 83 % of the reported injuries. "Fireworks injuries are often severe," he added.

Safety is always the key to any activity and this includes fireworks. For your safety, as well as that of your loved ones, neighbors and the community, the Fort Wayne Fire Department suggests you enjoy your fireworks at a professional event. Information regarding Fort Wayne's new Fireworks Law is available at www.FWFD.org, the Internet Site for Fort Wayne Fire Department.

Fort Wayne's Tall Grass/Weed Program Returns this summer

The City of Fort Wayne will begin enforcing its tall grass/weed program today, Monday, May 13.

The program allows residents to report grass and weeds over nine inches. This is enforced through the Neighborhood Code Compliance.

The public can report possible violations by calling 311 or 260-427-8311. Individuals reporting a violation must provide the property's street address.

"Tall grass on one property can negatively affect an entire neighborhood," said Chris Blauvelt, Neighborhood Code Compliance Director. "The City of Fort Wayne's Weed Program not only addresses tall grass, but also assists in the prevention of other nuisances such as noxious vegetation, rodent, insects, and illegal dumping."

If a property is in violation, they will receive a citation with a notice ordering them to mow within five days. Inspectors take a date-stamped electronic photo and post a placard on

the cited property and a notice is mailed to the owner of the property.

If the property is still not up to the ordinance, the Neighborhood Code will send a private contractor to mow the property and send an invoice to the property owner. The owner will then be charged for the mowing. If the invoice is not paid within 30 days, a lien will be placed on the property. The charge is based on lot sizes.

Neighborhood Code Compliance employs eight seasonal, part-time inspectors who respond to concerns from the public, but also act protectively to identify high grass and weeds, particularly along high-traffic corridors.

ATTENTION

SIGNS: No sign shall be erected or permitted, except one professional sign of not more than one foot square, or one sign of not more than (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.
