News and Views Publication Update

After much discussion with the Board, regarding the monthly cost for the production, printing and delivery of the News and Views, along with concerns that have come up more recently regarding the overall clarity of the finished product, we have decided to go Digital.

The finished product is currently available on our website

which we would continue to do, but in a more direct way making it more readily attainable.

We are also currently researching options for updating our Website through an HOA Management Program. This would provide a much needed overhaul making it much more user friendly, accessible from mobile devices and just more ef-

fective overall.

We understand that for some, going digital may be a concern due to lack of availability to the internet. If that is an issue you can request a printed copy and we could provide that at the Clubhouse.

This change will not become effective until our January edition 2025.

Avoid Open Burning

As the leaves begin to fall from the trees, people look for ways to remove them. For those considering burning leaves, twigs or trash that have accumulated on their lawns, the Fort Wayne Fire Department reminds everyone to avoid open burning as a general rule. FWFD Fire Marshal Jim Murua says, "No one is to kindle or maintain open burning consisting of a trash fire, leaf fire, refuse fire, or other open burning according to Fort Wayne City Code."

He explains that there are two exemptions allowed under certain conditions:

1. Bonfire celebrating school pep rallies are on exemption which requires obtaining a Burn Permit from FWFD at least 24 hours in advance of the permitted open burning. Call 427-1102 for more information or with questions.

2. Recreational camp fires for scouting or family cookout activities are allowed without a permit and a subject to the conditions listed below.

These exemptions must be subject to the following:

• A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire-extinguishing equipment shall be readily available at the burn site.

• Only wood products shall be burned. No leaves, paper or trash.

• A fire shall be attended by a responsible party at all times until completely extinguished.

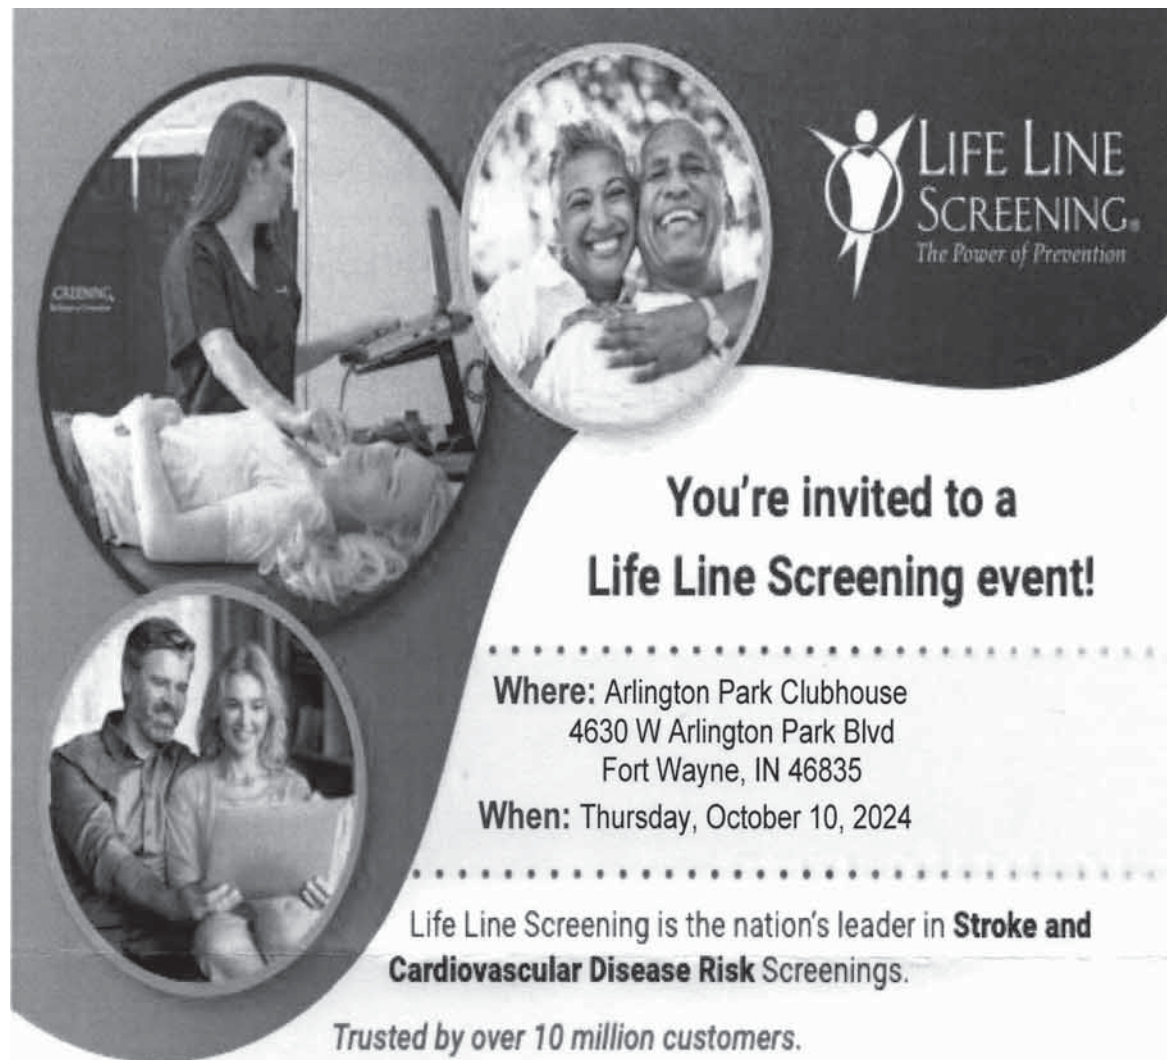

• A fire shall be located at least 25 feet away from any structure, fence or right of way.

• A fire shall not exceed an area three feet wide by two feet high.

• Anyone who recklessly, knowingly or intentionally kindles, or maintains any open burning consisting of a trash fire, leaf fire, bonfire, refuse fire, or other open burning that damages property of another person may be liable for criminal mischief.

• Any person who maintains burning of combustible materials out of doors or open burning not permitted shall be in violation and may be fined \$50. If the violator does not appear in response to a notice issued to them within a period of 30 calendar days from the date and time shown on the notice, the penalty shall be \$75. Repeat violators will be fined.

Please take the extra necessary to exercise safety at all times.

Political signs have time frame for removal

As we get closer to the election, Hoosiers are choosing to show their support in a variety of ways. From casting their ballot early to talking to neighbors and friends about important issues. It feels like more voters are engaged than ever before. Some are even displaying signs in their front yards for candidates they support. Unfortunately, I have received numerous calls from homeowners who are told they cannot place political signs in their yards because of their homeowners association covenant rules. Under state law, HOAs cannot prohibit homeowners from displaying political yard signs 30 days prior and five days after Election Day.

Many choose to live in a community with an HOA for a variety of reasons. HOAs help keep common areas clean and main-

tained, and some provide additional services like snow removal. However, no one should be able to restrict a person's right to free speech. That is why I supported a law in 2010 to prevent HOAs from adopting or enforcing a rule prohibiting a member from displaying a political sign on their property 30 days before and five days after the date of related election. No matter who you are supporting you have the right to display a sign on your property.

There is some discretion given to the HOA. They may adopt and enforce rules restricting the size of a campaign sign, but they must allow signs that are at least as large as signs commonly displayed during election campaigns. HOAs can limit the number of signs displayed, but only to a reasonable number, meaning an association

cannot set this limit at zero signs. Rules and regulations may also be enforced relating to the location of a sign, but homeowners cannot be prevented from displaying a sign in a window or on the ground that is part of the homeowner's property.

More information on this law can be found online at: iga.in.gov under Indiana Code 32-21-13-4. Please reach out to me with any questions

-Is Arlington Park a golf cart friendly community?

-Can I drive my golf cart on a city street?

The answer to both questions is NO. If you drive a golf cart of similar form of motor vehicle on city streets you are subject to having the cart towed, you may be fined, you will pay storage fees and you will need proof of ownership to receive our cart back.

In Arlington Park the same rules apply as on any city street. The only exception is for law enforcement officers on duty or a vehicle owned by the community to maintain the common grounds driven by a community employee

Neighborhood Leaf Pickup to be announced

Leaves are beginning to change color and fall, so Fort Wayne Street Department crews are gearing up for leaf collection.

Collections will occur two times in each of the city's more than 400 neighborhoods, with the last week of collection starting in December.

For curbside leaf pick-up residents should rake leaves to the curb or park strip in front of their home, but not into the street. Leaves should be in the park strip

by 7 a.m. on Monday of the week the leaves are to be collected for your area. Other yard waste should not be mixed with the leaves.

Residents can access daily collection updates at cityoffortwayne.org/leaves. There they will find a neighborhood schedule updated daily, collection map and general leaf collection information. This daily update will soon and residents can call 427-2603 for daily updates.

You can also schedule a pick-

up if you place your leaves in biodegradable bags by calling 311. The bags should be placed at the curb and will be collected within two business days of the call.

Don't put leaves in your trash or recycling cart. This is against state law, and burning leaves is a violation of city code and can result in a fine. Don't place leaves in or over storm drains. Parents should remind children to not play in leaf piles near the street.
