HAPPY HOLIDAYS!

*Happy
Holidays*

Holiday Greetings!

We want to wish you a Beautiful, blessed and Joyful Holiday Season and a Happy New Year shared with family and friends.

Let's make sure that we take this time to focus on what is most important and to relish in the memories that have been made in 2024.

Also, let us not forget to reach out to those less fortunate and to help our neighbors who may be struggling due to challenges whether it be emotionally, physically or financially. Not one of us are immune from difficulties in this life and we all know that our lives can change in a split second.

Let's all be mindful of that as we celebrate and move forward into 2025 and continue to work together to make Arlington Park an amazing Community to live and work in! Everyone's input and support matters, it definitely takes a Village to create a strong Community!

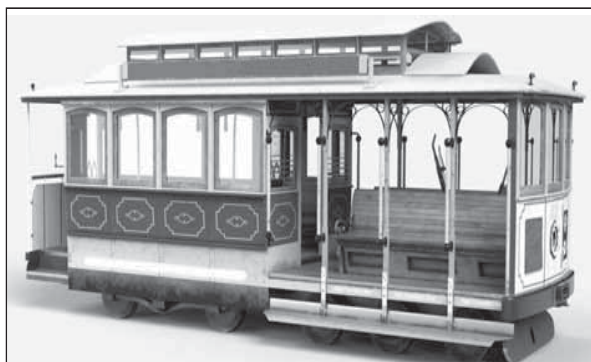

Thank You...

During this Special time of year the staff at Arlington Park would like to wish every member of Arlington Park Happy New Year!

A special thank you goes out to those members who have participated in our programs, volunteered during social events, wrote an article for the newspaper, or assisted in keeping communications open.

The Board of Directors work diligently each year to provide services and maintain the beautiful amenities within our community. If you see them during the New Year, please offer our support and say thanks for a job well done.

Also, thank you to Tug and Judi Pierson for sponsoring over 20 years of The Great Pumpkin Give-Away. Pumpkins happily adorned front porches this fall in Arlington Park!

Winter advice for Arlington residents

Keep your yard lights on all night. If you have autos parked in the driveway, have nothing valuable inside and keep them locked up.

When we have a forecast for snow, please keep cars off the street so that the plows can make their way through.

There are (3) levels of snow emergency:

LEVEL 1: Roadways are hazardous with blowing and drifting snow. Roads may be icy. Drive carefully.

LEVEL 2: roadways are hazardous with blowing and drifting snow. Only those who feel it is necessary to drive should be out on the roads. Contact your employer to see if you should report to work.

LEVEL 3: All roadways are closed to non-emergency personnel. No one else should be out during these conditions unless it is absolutely necessary to travel or a personal emergency exists. All employees should contact their employer to see if they should report to work. Those traveling on the roads may subject themselves to arrest.

Officially, the National Weather Service defines a blizzard as large amounts of falling OR blowing snow with winds of excess of 35 mph and visibility of less than 1/4 of a mile for an extended period of time (greater than 3 hours). German settlers in Iowa originally coined the word blizzard, coming from the word blitzartig, meaning "Lightning-like." European pioneers and settlers were astounded by the severity of the winters in the New World. Although accustomed to snow in their homelands, they were newly confronted with driving winds and freezing temperatures characteristic of Snow-belt regions.

In the December issue of *Arlington News and Views*, the top was "remember when" and I found it very interesting when reading about our past. It really puts things in perspective and we can all realize that it takes a collective effort by all that got us where we are now.

(Did you know we have approximately 45 families that have lived in Arlington for 30 years or more?)

According to Board of Realtor statistics, the average homeowner lives in their 1st home for 4.6 years. They live in their 2nd home for 8.1 years). Anyway you look at it, there is a magic about this addition that cannot be denied.

We will have some additional comments from some of those members in the next issue as there were some scheduling conflicts when it came to the actual interviews.

Lastly, I wish to thank all of my fellow board members for their time and effort this past year. We show up each and every month, each and every month, each of us with our own ideas and direction, yet we seem to be in agreement on one thing. We all want Arlington Park to age gracefully so that the next wave of board members will look back and say that we did things right.

I want to say a special thank you to Janie Hoover who always seems to get us the information that we need in order to make the decisions that benefit the entire addition. Until next month, thanks for reading and be safe.

News and Views Publication Update

After much discussion with the Board, regarding the monthly cost for the production, printing and delivery of the News and Views, along with concerns that have come up more recently regarding the overall clarity of the finished product, we have decided to go Digital.

The finished product is currently available on our website

which we would continue to do, but in a more direct way making it more readily attainable.

We are also currently researching options for updating our Website through an HOA Management Program. This would provide a much needed overhaul making it much more user friendly, accessible from mobile devices and just more ef-

fective overall.

We understand that for some, going digital may be a concern due to lack of availability to the internet. If that is an issue you can request a printed copy and we could provide that at the Clubhouse.

This change will not become effective until our January edition 2025.

Neighborhood Leaf Pickup to be announced

Leaves are beginning to change color and fall, so Fort Wayne Street Department crews are gearing up for leaf collection.

Collections will occur two times in each of the city's more than 400 neighborhoods, with the last week of collection starting in December.

For curbside leaf pick-up residents should rake leaves to the curb or park strip in front of their home, but not into the street. Leaves should be in the park strip

by 7 a.m. on Monday of the week the leaves are to be collected for your area. Other yard waste should not be mixed with the leaves.

Residents can access daily collection updates at cityoffortwayne.org/leaves. There they will find a neighborhood schedule updated daily, collection map and general leaf collection information. This daily update will soon and residents can call 427-2603 for daily updates.

You can also schedule a pick-

up if you place your leaves in biodegradable bags by calling 311. The bags should be placed at the curb and will be collected within two business days of the call.

Don't put leaves in your trash or recycling cart. This is against state law, and burning leaves is a violation of city code and can result in a fine. Don't place leaves in or over storm drains. Parents should remind children to not play in leaf piles near the street.

Arlington Park SECURITY ALERT

As the holiday season starts getting close, home burglaries seem to increase. It is hard to pinpoint any specific circumstance that would definitely trigger a burglary, but one factor seems to stand out. The burglar has to have a way of knowing you are not home at that time. It might be that he is parked nearby as you leave or he could be just driving by about the time you pull out of your driveway.

Do you watch for strangers as you leave your house? Do you leave lights on or the radio playing when you are away? Following these tips will not guarantee that your house will not be burglarized, but these actions will reduce your odds of becoming a victim of burglary. Not displaying newly purchased household goods by breaking down boxes and placing them in a black garbage bag will hide what you possess now.
