FIRST PLACE WINNER 2024 DISPLAY OF LIGHTS

The Jonas & Errett Family
5509 Chiswell Run

Let me start by saying that I love Christmas!! I love it so much that James calls me his "Christmas Elf"! I have always decorated a lot on the inside of my house however had not with my outside. This year I decided in advance would be the year that I would fully decorate my outside front yard and house with Christmas lights and displays. I thought about what kind of theme I would have and started looking in September for decorations and ideas. I got the idea for the Candy Cane Lane Theme due to my Great Room Theme last year and this year has been candy cane and elf accents. I have red and white as the primary colors with some additions of green. I decided to move this theme to the outside and candy cane decorations are very popular and I found lots of pieces to coordinate. I must thank Home Depot and Menards primarily as they supplied me with most of my decorations along with the roof lights are from Amazon. I researched a lot on the best lights to get to place on the roof of my house that would be bright and stand out! I am so excited to have our home be one of the top decorated homes selected for the Arlington Park Holiday Lights Contest!! This has made me so happy and thanks to the committee that selected our home!!

Wrapping up my First Year at Arlington Park

By Millie McDonald

Hello residents of Arlington Park,

What a learning experience this first year has been for me here at Arlington Park. First, I'd like to say thank you, thank you for making me feel welcome and valued! It has been such a pleasure meeting so many of you at different events and I just want you to know how much I appreciate you reaching out to me and stopping up at the Clubhouse to introduce yourselves. It has made this new adventure so much fun and inspirational.

Effective January 22nd, I finish my first year. How little did I know just how much information there would be to process, how many different by-laws and covenants there were let alone how many sections, and overall, the extent of the property, the budget, the amenities, the beautiful walking paths, I could go on and on! What an extraordinary place Arlington really is to live in and

raise a family. I'll admit I really had no clue just how expansive it was. Sure, I'd visited friends from time to time who lived here, but simply just driving to their house provided me no conception of what all was around me. Bottom line is, if you don't actually live here, it is difficult to take in what it is that goes into making this amazing community a home!

I want to say a huge thank you to all of you for your patience and grace as I have been on my learning curve. Regarding the upcoming pool season, I am relying on the fact that since we have replaced some key necessary parts and will be working closely with a Pool maintenance company who will be updating our equipment and standards, that this pool season will run so much more smoothly. It will also allow me to expand my focus on all of our other amenities to ensure that they

are beautiful, safe and accessible to their full potential. I feel a real sense of accomplishment with the Events that Arlington provides annually and am looking forward to them continuing to be family friendly and fun, as well as creating new Community focused events that will hopefully bring more resident involvement and participation! I have loved all of the input I have received toward new ideas and the ability to utilize an expansive amount of knowledge and talent from our dedicated residents, I know there is even more to tap into!

I am so looking forward to my continued work here along with all of you, and know that 2025 is going to be an amazing year, filled with all of the Arlington traditions, new traditions and relationships and continued success as the top Housing Association in Fort Wayne!! What a great place to be!

From our Family to Yours ... 2024 Display of Lights

THE BAUMGARTNER FAMILY • 5022 SWEETWATER PLACE

This year we began our extensive decorations early; my son Patrick Rice and two of his friends Luke Stieber and Austin Swartz. In years past we have decorated only the front in blue and white creating the night that Christ child was born and the star of Bethlehem that appeared over- head. This year we also decorated the back of the home with the same theme. (From inside the house it is blue and white all around – amazing!)

THE MILTNER FAMILY • 5131 LITCHFIELD ROAD

When we first started decorating our previous home for Christmas many years ago, we told our kids that we do this to spread Christmas cheer and to make sure Santa sees our house while he is making his deliveries on Christmas Eve. After years of collecting decorations and the kids getting older, we moved into this house 18 months ago. Over the years, it has become our family tradition to decorate our home to show our Christmas spirit and spread Christmas joy throughout the neighborhood. Most importantly it is to make sure Santa can see not only our house, but our neighborhood when he and his reindeer fly over on Christmas Eve

THE KROEGER FAMILY • 5005 LITCHFIELD ROAD

Jim and I always look forward to the magic of the Christmas Season. The Christmas Lights seem to extend a welcome greeting to Christ in our lives, and to Travelers to our town. We had a tradition of taking our children out on car rides to witness the Magic of the Christmas Lights...of course one of them loved it, one of them tolerated it, and one may be scarred for life. But they still come home for Christmas, so it was worth it. Sue and Jim Kroeger

THE CONNELLY FAMILY • 9218 VALLEY FORGE

CONNELLY PATRIOTIC CHRISTMAS...Merry Christmas to all Arlington Neighbors! Our four sons encouraged my wife and I to do more outside lighting decorations for Christmas this year. It has been a joy to work together with them in this form of celebration. We thought of two additional themes to our simple, clear lights display of years past. We added red to represent the candy cane, a symbol created by a candy maker to embody Jesus as the true meaning of Christmas. The white stripe stands for the pureness of Jesus. The red stripes represent the blood he shed as the sacrifice for ones salvation. We also included blue to provide some patriotic focus. Our oldest is a Corporal in the U.S. Marine Corps and has increased our already high attention to patriotism. The collection of red, white and blue is to honor the service and sacrifice of many, currently and in the past. They ensure all of us the liberty to express this belief of Christmas and many other freedoms we all enjoy. We all have so much in which to be thankful at this time and throughout the year. Our family wishes the love, joy, hope and peace of Christmas be a blessing upon all of you!

THE VOLLENWEIDER FAMILY • 9105 LAUREL HURST

Merry Christmas!

Thank you!

Arlington Park Association and this year's Display of Lights participants thank all who voted. This is the 30th year for this event and we grow in support each year. Since Arlington is already known for it's brilliant displays, we are confident that the Arlington Tradition will be shared by many each season.

Thank you for our sponsors

From our Family to Yours ... 2024 Display of Lights

THE EVERETTE FAMILY • 8125 SAGIMORE CT.

The reason for the season is the happiness which you can put on others faces. This is why I decorate every year. As long as even one person gets enjoyment from the lighting of our home makes it all worth while. I have started decorating from a young age and have enjoyed it every year and hopefully you will too.

Kurt Everette

THE NAGEL FAMILY • 4727 COLLBRAN CT.

As 36 year residents of Arlington Park we have enjoyed the many Christmases of decorating for the annual lighting contest. This year our daughter, Lori, was the driving force of our decorations which include both vintage and new lights and inflatables. We hope you all enjoyed the fun-filled decorating scheme. Merry Christmas to all of our neighbors!

THE FRITZ FAMILY • 8118 REDSTONE DRIVE

For some Christmas lights are a way of just showing holiday spirit but to our family it is also family time, laughter, and comfort that we attempt to share with our neighbors. We have lived in Arlington Park since 2004, we started our home as a family on Redstone Court and moved around the corner to Redstone Drive, as our two boys needed more space or maybe we needed this space! Since we moved into this home, we have grown our exterior illumination, but Ryan tries hard not to fall off a ladder like Clark Griswold, he's only fallen once! and Pam may have laughed after knowing he was okay. Nothing will keep us from trying to brighten these long dark nights with the best Christmas light display that we can do. The older our boys get, Hayden almost 15 and Alex almost 12, are able to help more and more each year and they are holding out hope that we can finally be the winners of the light display in the best neighborhood in town! In all seriousness we hope everyone has a great Christmas and enjoys all the lights! Merry Christmas from the Fritz Family!!!

THE MEYER FAMILY • 5409 LITCHFIELD ROAD

Seventeen years ago, as parents of three young children, we illuminated the outside of our new home for them with lights on all the landscaping and house, along with inflatable decorations. To our surprise, our home was selected to be a "top 10" and has received that designation over most of our years here. During the years that followed, we continued to decorate for the kids – and also our neighbors here in Arlington Park – replacing and retiring decorations over the years, and adding new inflatables, various lights, and our ever-popular leg lamp. As the kids got older, they helped us decorate, but mostly with lights, the Nativity scene, and a few other fanciful illuminations. When the children graduated and moved on to college, we continued to decorate for our neighbors, guests, family, friends, and the kids when they return home. There has always been purpose to bring Christmas joy and maybe some magic to those who drive past 5409 Litchfield. This year, however, we added a special color to our home – purple. Earlier this year, our children's grandmother, whose favorite color is purple, was diagnosed with aggressive pancreatic cancer and the color for pancreatic cancer awareness also happens to be purple. This Christmas will be extra-special as the home glows in purple for Grandma and will bring special blessings, joy, and gratitude as we spend time together as a family, as we have in this home, with the kids' grandmother, for over seventeen years now. We hope that our unique decorating in support of our beloved family member brings happiness and some peace as you drive by this Christmas and New Year. We pay special attention to the Holy Family, protected by the stable built each year with fresh greens. This year we added a star as well, hoping that everyone has someone in their lives to help lead them to the Christ child. Merry Christmas from the Meyer Family – Bill, Michelle, Morgan, Kiera and John Paul, and our dog, Stella, too.

City of Fort Wayne Emergency Snow Route Preparedness is Important

During our snow fall season there is a project we can all work on together. When snowfall is predicted, it would be helpful if all vehicles were parked in driveways, in the garage. . . . not on the street. Snow removal is difficult, the team removing snow is working late night hours usually through early morning, during white out conditions. Each year we have complaints that an area was missed, which can happen. After review we often find that someone had parked their vehicle on the street. When the vehicle is then moved it leaves a large amount of snow in front of/ or behind a vehicle, this causes a bottleneck in traffic, especially in the cul-de-sac's.

The US Postmaster has requested all of us to clear snow one (1) foot from the curb

and to shovel out around the mailboxes.

If your neighbor is unable to remove snow due to disabilities or a heart condition. . . . a friendly helping hand is appreciated. (Let me personally thank you in advance for your good deed)

As in the past if any of you are on call or in need of emergency assistance for health conditions, please contact the office so that you may be placed on the list of first alert snow removal.

To qualify for first snow removal it requires that your health or work is of an emergency nature: Doctor, Nurse, Police, Fire worker. Or any member with special health needs. A list is compiled at the office and is submitted to the snow removal team. As in past years the snow removal will

begin with the accumulation of 3" of snow. When weather conditions allow sand and salt will be placed at intersections and the primary roads. Sand, salt barrels will be placed at the entrance ways. These barrels are filled by the city for use by members during treacherous snow and ice conditions. If you believe your area has been missed during the normal snow removal, please allow enough time for the crew to process through all of the streets. With a team of three trucks it will take approximately 6-7 hours to make one pass completely through the streets in Arlington.
