FIRST AMENDMENT
TO
PROTECTIVE COVENANTS, RESTRICTIONS AND
LIMITATIONS OF ARLINGTON PARK, SECTION III,
A SUBDIVISION IN ALLEN COUNTY, INDIANA

ARLINGTON INVESTMENT CORP., an Indiana corporation, by Theodore L. Brehm, its President, and Herbert R. Bergwall, its Secretary, as the Developer of ARLINGTON PARK, SECTION III, a subdivision of Allen County, Indiana, according to the plat thereof recorded on October 27, 1972, in Plat Record Book 34, page 76, in the Office of the Recorder of Allen County, Indiana, does hereby amend the Protective Covenants, Restrictions and Limitations appended to the plat of ARLINGTON PARK, SECTION III, in the following particulars:

1. Paragraph 21 shall be amended in its entirety to read as follows:

21. Assessments. Developer, for each lot and/or living unit owned by it within the Addition, hereby covenants, and each owner of any lot or living unit, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or conveyance, shall be deemed to covenant and agree to pay to the Arlington Park Association the Maintenance Fund and/or Club Operating Fund assessments and charges, as hereinafter provided.

54

a. Maintenance Fund. The "Maintenance Fund" assessment shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of residents of the Addition and in particular, for the improvement and maintenance of the greenways, sidewalks, playgrounds and all other Common Areas, including but not limited to, repair, maintenance, the cost of labor, equipment and materials, supervision, security, lighting, lawn care, snow removal, insurance, taxes, and all other things necessary or desirable in the opinion of the Members of the Association in connection therewith.

The Maintenance Fund Assessment as herein provided shall commence to accrue and become a lien upon any said lots or living units as soon as title thereto has been divested from Developer, or when a dwelling or living unit shall be erected thereon, whichever shall first occur, and shall be payable on the first day of January of each year thereafter. All assessments shall be determined by and paid to the Association, and the Association shall be responsible for carrying out the purposes of such assessments.

The amount of said Maintenance Fund assessment is established as follows:

(i) The annual assessment for the calendar year starting January 1, 1973, shall be Twenty-Four Dollars (\$24.00) per assessable membership.

(ii) For each year thereafter, commencing with the year beginning January 1, 1974, the Board of Directors of the Association shall establish a budget for such calendar year and shall determine the annual membership assessment required to meet said budget. Such budget and assessment for each said calendar year shall be established by the Board of Directors at a meeting to be held not later than October 31st of each preceding calendar year. The Board of Directors shall then mail to all Association members a copy of said budget and notice of the ensuing year's assessment not later than November 15th of the year prior to the year to which the assessment is applicable.

(iii) The amount of the assessment set by the Board of Directors for any such calendar year may be changed by the members of the Association at a meeting duly called for that purpose as hereinafter provided. The President or Secretary of the Association shall call a meeting of the membership of the Association, to be held prior to December 31st of the year prior to the year to which the assessment is applicable, upon receipt, prior to November 30th, of a written petition for assessment review bearing the signatures of at least twenty (20%) percent of the memberships of the Association. The President or Secretary of the Association shall give at least fifteen (15) days written notice of such meeting to all members.

(iv) Any change so adopted in the amount of the assessment set by the Board of Directors must have the assent of two-thirds (2/3) of the memberships of the Association who are voting in person or by proxy at a meeting duly called for such purpose. At any such meeting, a quorum of not less than fifty (50%) percent of all memberships shall be required.

b. Club Operating Fund. The Developer plans to construct a clubhouse within Arlington Park, which clubhouse will contain and provide various social, recreational and other facilities. At such time as construction on said clubhouse is substantially completed, the Club Operating Fund will commence to accrue and will become a lien upon all lots or living units in Arlington Park, except as hereinafter provided. For any lots that a living unit has not been erected thereon at the time of substantial completion of the clubhouse, such assessment will commence to accrue and become a lien at such time as a living unit has been erected on such lot. Said Club Operating Fund assessment shall be payable on the first day of January of each year thereafter. All assessments shall be determined by and paid to the Association, and the Association shall be responsible for carrying out the purposes of such assessments.

The amount of said Club Operating Fund Assessment is established as follows:

(i) Commencing with the year beginning January 1, 1974, the Board of Directors of the

Association shall establish a budget for such calendar year and shall determine therefrom the annual membership assessment required to meet said budget. Such budget and assessment for each calendar year shall be established by the Board of Directors at a meeting to be held not later than October 31st of each preceding calendar year. The Board of Directors shall mail to all Association members a copy of said budget and notice of the ensuing year's assessment not later than November 15th of the year prior to the year to which the assessment is applicable.

(ii) The amount of the assessment set by the Board of Directors for any such calendar year may be changed by the members of the Association at a meeting duly called for that purpose as hereinafter provided. The President or Secretary of the Association shall call such meeting of the membership, to be held prior to December 31st of the year prior to the year to which the assessment is applicable, upon receipt, prior to November 30th, of a written petition for assessment review bearing the signatures of at least twenty (20) percent of the memberships of the Association. The President or Secretary of the Association shall give at least fifteen (15) days written notice of such meeting to all members.

(iii) Any change so adopted in the amount of the assessment set by the Board of Directors must have the assent of two-thirds (2/3) of the memberships of the Association who are voting in person or by proxy at a meeting duly called for such purpose. At any such meeting, a quorum of not less than fifty (50%) percent of all memberships shall be required.

(iv) Said Club Operating Fund shall be used exclusively for the purpose of operating and maintaining said clubhouse and all recreational facilities therein or used in connection therewith, including but not limited to, repair, maintenance, cost of labor, equipment, supervision, taxes, insurance, and all other things necessary or desirable in the opinion of the Members of the Association in connection therewith.

c. Collection. Such Maintenance Fund and Club Operating Fund assessments, together with interest thereon and costs of collection as hereafter provided, shall be a lien upon the property against which each such assessment is made. Each such assessment, together with interest thereon and costs of collection, shall also be the personal obligation of the person or persons who was the owner of such property at the time when the assessment fell due. The obligation of the assessment is upon the owner of the property or the living unit and is not transferred, even though the owner may have transferred the membership and voting rights in Arlington Park Association, as hereinbefore provided. If the assessments are not paid on the due date, then such assessments shall be a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. However, the personal obligation of the then owner to pay such assessment shall remain a personal obligation and shall not pass to his successors in title unless expressly assumed by them. If the assessment is not paid within sixty (60) days after the due date, the assessment shall bear interest

from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action against the owner personally obligated to pay the same, or foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing such action. The lien of the assessments as provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the property, taxes and assessments for public improvements.

2. All other terms and provisions of said Protective Covenants, Restrictions and Limitations shall remain in full force and effect.

IN WITNESS WHEREOF, Arlington Investment Corp. has hereunto set its hand and seal this 5th day of April, 1973.

erected or permitted on any lot having a width of less
than thirty-five (35) feet at the front property line,
nor an area of less than three thousand five hundred
(3,500) square feet. Developer, its successors and
assigns, may alter the size or shape of said lots as
platted, provided that no dwelling or other structure
shall be erected, placed or maintained upon any lot which

does not conform to the restrictions herein set forth, without express approval of the Allen County Plan Commission. As to Lots 161 and 165, which are hereby designated for condominiums or multi-family units, there will not be erected or permitted more than one living unit for each six thousand (6,000) square feet of area in said Lots 161 and 165, without express approval of the Allen County Plan Commission."

3. Paragraph 25 shall be added, to read as follows:

"25. Shiloh Association. There will be organized by the Developer forthwith an incorporated not-for-profit association, with the same to be known as the Shiloh Association, which shall exist in addition to, and not exclusive of, the Arlington Park Association.

The Developer also plans that additional memberships may be created in Shiloh Association from further sections in Arlington Park platted hereafter.

b. Membership Transfer. Memberships will pass from the Developer to his grantee with the conveyance of the land. In the case of the conveyance of land to be used for multi-family construction, said memberships will not transfer to the grantee until the Architectural Control Committee has approved the grantee's plans, and then one membership for each living unit to be constructed on the land conveyed, will be transferred from the Developer to the grantee.

4. Paragraph 26 shall be added, to read as follows:

Any repairs caused by the negligence of the owner may be charged to the owner by the Shiloh Association.

105

In order to accomplish the purposes of exterior maintenance and other services to be provided by the Shiloh Association, there is hereby reserved in favor of the Shiloh Association, its agents, employees and contractors, the right to enter over, through and upon all living units and their lawns for the purpose of conducting exterior maintenance and lawn care, such rights being supplementary and in addition to those granted in Paragraphs 18 and 19 hereof, which shall also inure to the benefit of said Shiloh Association, its agents, employees and contractors. 5. Paragraph 27 shall be ~~amended~~ ^{added} to read as

"27. Maintenance Fund. For the providing of the above services, there shall be a maintenance fund assessment for members in the Shiloh Association;

said maintenance fund assessment shall commence to accrue and become a lien upon any of said lots or living units as soon as title thereto has been divested from Developer, or when the living units shall be erected thereon, whichever first occurs, and shall be payable upon the first day of the month of each month thereafter. Developer, for each lot and/or living unit owned by it within the addition, hereby covenants, and each owner of any lot or living unit, by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or conveyance, shall be deemed to covenant and agree to pay to the Shiloh Association the maintenance fund assessments as herein provided. All assessments shall be determined by and paid to the Shiloh Association, and the Shiloh Association shall be responsible for carrying out the purposes of such assessments. Further, the assessments paid by members of the Shiloh Association to the Arlington Park Association shall be sent from said Arlington Park Association directly to the Shiloh Association, and the same shall be incorporated in the Shiloh Association budget as hereinafter provided.

The amount of said maintenance fund assessment shall be established as follows:

105

- a. The annual assessment for the calendar year starting January 1, 1974, shall not exceed \$300.00, payable in monthly installments.
- b. For each year thereafter, commencing with the year beginning January 1, 1974, the Board of Directors of Shiloh Association shall establish a budget for such calendar year and shall determine the annual membership assessment in the following manner.

The total Shiloh Association budget will be comprised of, (a) the total assessment due Arlington Park Association from the members of Shiloh Association, and (b) the total maintenance and other costs involved in providing services to the members of Shiloh Association, as set forth in Paragraph 2f. The Arlington Park Association assessment shall be pro rated equally among all of the assessable lots or living units of Shiloh Association members. In connection with the Shiloh Association maintenance fund, each member will pay an assessment equal to his pro rata share. This pro rata share shall be determined by that portion of the total Shiloh maintenance fund assessment which the square footage of lawn, exterior wall surfaces and roof of his living unit bears to the total square footage of lawn, exterior wall surfaces and roofs of all living units in Shiloh Association. Initially this determination will be made by the Developer and thereafter by the Board of Directors of Shiloh Association and such determination shall be binding upon all members.

c. Such budget and assessment for each calendar year as above determined shall be established by the Board of Directors at a meeting to be held not later than October 31 of each preceding calendar year. The Board of Directors shall then mail to all Shiloh Association members a copy of said budget and notice of the ensuing year's assessment not later than November 15 of the year prior to the year to which the assessment is applicable.

d. The amount of the assessment set by the Board of Directors for any such calendar year may be changed by the members of the Shiloh Association at a meeting duly called for that purpose as hereinafter provided. The President or Secretary of the Shiloh Association shall call a meeting of the membership of the Shiloh Association, to be held prior to December 31st of the year prior to the year to which the assessment is applicable, upon receipt, prior to November 30th, of a written petition for assessment review bearing the signatures of at least twenty (20%) percent of the memberships of the Shiloh Association. The President or Secretary of the Association shall give at least fifteen (15) days written notice of such meeting to all members.

e. Any change so adopted in the amount of the assessment set by the Board of Directors must have the assent of two-thirds (2/3) of the memberships of the Shiloh Association who are voting in person or by proxy at a meeting duly called for such purpose. At any such meeting, a quorum of not less than fifty (50%) percent of all memberships shall be required.

f. Such maintenance fund assessments, together with interest thereon and costs of collection as hereinafter provided, shall be a lien upon the property against which each such assessment is made. Each such assessment, together with interest thereon and costs of collection, shall also be the personal obligation of the person or persons who was the owner of such property at the time when the assessment fell due. The obligation of the assessment is upon the owner of the property or the living unit and is not transferred, even though the owner may have transferred the membership and voting rights in Shiloh Association, as hereinbefore provided. If the assessments are not paid on the due date, then such assessments shall be a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. However, the personal obligation of the then owner to pay such assessment shall remain a personal obligation and shall not pass to his successors in title unless expressly assumed by them. If the assessment is not paid within sixty (60) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Shiloh

Association may bring an action against the owner personally obligated to pay the same, or foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing such action. The lien of the assessments as provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the property, taxes and assessments for public improvements.

6. All other terms and provisions of said Protective Covenants, Restrictions, and Limitations shall remain in full force and effect.

The Committee's approval or disapproval of said plans shall be in writing; in the event the Committee, or its designated representative, shall fail to approve or disapprove said plans within thirty (30) days after all necessary instruments, documents and other information have been given, then approval to the request as submitted shall be deemed to have been given. The improvements as shown upon said plans shall be substantially completed before said building shall be used or occupied as a dwelling. All improvements shall be constructed in accordance with the plans and specifications as approved by the Architectural Control Committee and any improvements not so constructed shall be subject to immediate removal at owner's expense. The provisions hereinbefore provided for violation or attempted violation of any of these covenants and restrictions shall be applicable hereto. In addition, before any lot or tract within the Addition may be used or occupied, said user or occupier shall first obtain the Improvement Location Permit and Certificate of Occupancy required by the Allen County Zoning Ordinance. Further, before any living unit within the Addition shall be used and occupied, the Developer shall have installed all improvements serving the lot whereon said living unit is situated, as set forth in Developer's plans, filed with the Allen County Plan Commission.

- a. Every wall which is built as a part of the original constructions within Arlington Park, Section III, and placed on the dividing line between separate lots in the subdivision, and is shared by more than one dwelling unit shall constitute a party wall. - b. If any party wall is damaged or destroyed through the act or acts of any adjoining owner, his agents, servants, guests, or members of his family, whether such act is willful, negligent, or accidental, such owner shall forthwith proceed to repair or rebuild said party wall to as good a condition as previously existed, without cost to the adjoining owner.
- c. Any party wall damaged or destroyed by some act or event other than that produced by one of the adjacent owners, his agents, servants, guests or family, shall be rebuilt or repaired by both adjoining owners to as good a condition as previously existed, at their joint and equal expense and as promptly as reasonably possible.
- d. No structure which shares a party wall with an adjoining lot will be remodeled or repaired in such a way as to change the exterior appearance from the original appearance, without the consent of the adjoining owner and the Architectural Control Committee as herein provided.
- e. All disagreements between owners of adjoining lots with respect to repair, reconstruction or maintenance of party walls, or with respect to the cost thereof, shall be resolved by the Architectural Control Committee, and the decision of that Committee shall be final and binding upon all owners involved.

17. Living Units and Structures Located upon Lot Lines.

- a. In order to maintain harmonious structural design, once a living unit or other structure has been construct-

ed upon or adjacent to a boundary line between two lots the same may not be relocated without the permission of the adjacent lot owners and the Architectural Control Committee, as herein provided.

b. The owner of any lot which adjoins a lot containing a structure located upon the common lot line between said lots shall have the right to make reasonable attachments to said structure, including but not limited to, fences allowed by these Covenants. However, before any such attachment is made, the owner must obtain the approval of the Architectural Control Committee, as herein provided.

18. Private Easements.

a. Any owner of a lot upon which there is a living unit or structure located on, or within four feet of a common lot line, shall have a permanent easement in the adjoining servient lot to permit the construction, maintenance and repair of such living unit or structure. In addition, said owner shall also have a permanent easement permitting roof structures which overhang and encroach upon the adjoining servient lot, provided that the construction of such roof structure is permitted and approved as elsewhere herein provided.

b. The easements hereby created shall extend for a distance of five (5) feet from the common lot line. Said easements do not include the right to enter onto or into any structure on the servient lot without prior permission from the owner.

19. Easements. Easements are hereby expressly reserved and dedicated with dimensions, boundaries and locations as designated on the attached plat for the installation and maintenance of public utilities (including but not limited to, water, gas, telephone, electricity, sanitary sewer, and any other utilities of a public or quasi-public nature) and sewer and drainage facilities.

a. Any utility company and Developer, their successors and assigns, will have the right to enter upon

said easements for any lawful purpose. All easements shall be kept free at all times of permanent structures except improvements installed by Developer or an authorized utility and removal of any obstruction by a utility company shall in no way obligate the company to restore the obstruction to its original form. The utility will restore any improvement installed by Developer or other authorized utility.

b. No buildings or structures located in the Addition shall be connected with distribution facilities provided by electrical, television or telephone services, except by means of wires, cables or conduits situated beneath the surface of the ground (except such poles and overhead facilities that may be required at those places where distribution facilities enter and leave the Addition, and except for such housings, pedestals or facilities as may be appropriate for connection of utility services for individual lot owners). Nothing herein shall be construed to prohibit street lighting or ornamental yard lighting services by underground wires or cables.

c. The utility operating the sewer lines and sewage disposal plant for said subdivision shall have jurisdiction over the installation of all sewer connections and the same shall be installed to the property lines of each lot by the developers. No individual water supply system, or individual sewage disposal system, shall be installed, maintained or used in the Addition. No rain or storm water runoff from roofs, street pavements or otherwise, or any other surface water, shall at any time be discharged into, or permitted to flow into, the sanitary sewer system, which shall be a separate sewer system from the storm water and surface water run-off system. No sanitary sewage shall at any time be discharged or permitted to flow into the storm water and surface water run-off sewer system.

20. Arlington Park Association. There will be organized by the Developer forthwith an incorporated not-for-profit association, only one such association to be recognized

the Arlington Park Association.

a. Membership. One membership shall be created for each lot or living unit planned in Arlington Park. Memberships will transfer from the Developer to the grantee upon delivery of, the deed, or in the case of a multi-family construction, at such time as the Architectural Control Committee has approved the grantee's plans, with one such membership to be transferred for each living unit to be constructed upon the land conveyed. The Developer's plans presently provide for the construction of two thousand two hundred seven (2,207) living units in Arlington Park, which will be voted by the Developer until transferred as hereinafter provided.

b. Membership Transfer. Memberships will pass from the Developer to his grantee with the conveyance of the land. In the case of the conveyance of land to be used for multi-family construction, said memberships will not transfer to the grantee until the Architectural Control Committee has approved the grantee's plans, and then one (1) membership for each living unit to be constructed on the land conveyed, will be transferred from the Developer to the grantee.

c. Continuing Membership. The purchaser of any lot or living unit in Arlington Park shall be a member of said Association and shall continue to be a member of said Association so long as he continues to be the owner of a lot or living unit in Arlington Park for the purposes herein mentioned. Membership shall pass with the ownership of the land or living unit.

d. Transfer of Membership Rights and Privileges. Each owner, or in lieu thereof (and with the written consent of such owner to the Association) each Lessee of a living unit, shall be a member of the Association and have the right to the owner's vote and privileges. Membership, where assigned to a Lessee, will pass with the lease except if the owner withdraws his consent in writing to the Association. The owner may withdraw his membership assignment to the Lessee at his discretion by a sixty (60) day notice in writing to the Association. §1

21. Assessments. Developer, for each lot and/or living unit owned by it within the Addition, hereby covenants, and each owner of any lot or living unit, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed of conveyance, shall be deemed to covenant and agree to pay to the Arlington Park Association, Maintenance Fund and/or Club Operating assessments and charges, as herein-after provided.

a. Maintenance Fund. The "Maintenance Fund" Assessment shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of residents of the Addition and, in particular, for the improvements and maintenance of the greenways, sidewalks, playgrounds and all other Common Areas, including but not limited to, repair, maintenance, the cost of labor, equipment and materials, supervision, security, lighting, lawn care, snow removal, insurance, taxes, and all other things necessary or desirable in the opinion of the Members of the Association in connection therewith.

The Maintenance Fund Assessment as herein provided shall commence to accrue and become a lien upon any said lots or living units as soon as title thereto has been divested from Developer, or when a dwelling or living unit shall be erected thereon, whichever shall first occur, and shall be payable on the first day of January of each year thereafter. All assessments shall be determined by and paid to the Association and the Association shall be responsible for carrying out the purposes of these assessments.

The amount of said Maintenance Fund Assessment is established as follows:

(i) Until the year beginning January 1, 1975, the annual assessment shall be the sum of Twenty-Four Dollars (\$24.00) per lot or living unit.

(ii) From and after January 1, 1975, the annual assessment may be increased for the next

succeeding three (3) years, by vote of the Memberships of the Association as hereinafter provided, and again at the end of each such period of three (3) years, for each succeeding three (3) year period. The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

(iii) Subject to the limitations hereinbefore set forth, the Association may change the maximum amount of the assessment for any such three (3) year period, provided that any such change shall have the assent of two-thirds (2/3) of the Memberships of the Association who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which has been sent to all Memberships at least thirty (30) days in advance, and with the purpose of the meeting set forth therein. At any such meeting, a quorum of not less than fifty percent (50%) of all Memberships entitled to vote shall be required.

b. Club Operating Assessment. The Developer plans to construct a clubhouse within Arlington Park, which clubhouse will contain and provide various social recreational and other facilities. At such time as construction on said clubhouse is substantially completed, the Club Operating Fund will commence to accrue and will become a lien upon all lots or living units in Arlington Park, except as hereinafter provided. For any lots that a living unit has not been erected thereon at the time of substantial completion of the clubhouse, such assessment will commence to accrue and become a lien at such time as a living unit has been erected on such lot.

Said Club Operating Fund assessment shall be payable on the first day of January of each year thereafter. All assessments shall be determined by and paid to the Association

and the Association shall be responsible for carrying out the purposes of these assessments.

The amount of said Club Operating Fund Assessment is established as follows:

(i) The assessment shall be in the sum of Forty Eight Dollars (\$48.00) per lot or living unit for the year initiated and for a period of three (3) years thereafter.

(ii) From and after the end of the initial three (3) year period the annual assessment may be increased for the next succeeding three (3) years by a vote of the Memberships of the Association, as hereafter provided, and again at the end of each said period of three (3) years, for each succeeding three (3) year period. The Board of Directors of the Association may, after consideration of current operation and club maintenance costs and future needs of the club, fix the actual assessment for any year at a lesser amount.

(iii) Subject to the limitations hereinbefore set forth, the Association may change the maximum amount of the assessment for any such three (3) year period, provided that any such change shall have the assent of two-thirds (2/3) of the Memberships of the Association who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which has been sent to all Memberships at least thirty (30) days in advance, and with the purpose of the meeting set forth therein. At any such meeting, a quorum of not less than fifty percent (50%) of all Memberships entitled to vote shall be required.

(iv) Said Club Operating Fund shall be used exclusively for the purpose of operating and maintaining said clubhouse and all recreational facilities therein or used in connection therewith,

including but not limited to, repair, maintenance, cost of labor, equipment, supervision, taxes, insurance, and all other things necessary or desirable in the opinion of the Members of the Association in connection therewith.

c. Collection. Such Maintenance Fund and Club Operating Assessments, together with interest thereon and costs of collection as hereafter provided, shall be a lien upon the property against which each such assessment is made. Each such assessment, together with interest thereon and costs of collection, shall also be the personal obligation of the person or persons who was the owner of such property at the time when the assessment fell due. The obligation of the assessment is upon the owner of the property or the living unit and is not transferred, even though the owner may have transferred the membership and voting rights in the Arlington Park Association, as hereinbefore provided. If the assessments are not paid on the due date, then such assessments shall be a continuing lien on the property, which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then owner to pay such assessment, however, shall remain a personal obligation and shall not pass to his successors in title unless expressly assumed by them. If the assessment is not paid within sixty (60) days after due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action against the owner personally obligated to pay the same, or foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing such action. The lien of the assessments as provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the property, taxes and assessments for public improvements.

22. Duration and Alteration. These protective

covenants, restrictions and limitations shall be construed as, and shall be, covenants running with the land and shall be binding upon all Owners and Lessees of land in said Addition and all persons claiming under them. They shall continue in existence for a period of fifty (50) years from the date of the recording hereof and thereafter shall be automatically extended for successive periods of ten (10) years each. The protective covenants, restrictions and limitations (but not the easements) may be changed, abolished or altered in part by written instrument signed by the owners of not less than seventy-five percent (75%) of the membership of the Arlington Park Association; and may be changed, altered or amended by the Developer within two (2) years from and after the date of recording hereof; all said amendments, changes or alterations, however, shall have the prior approval of the Allen County Plan Commission or its successor.

53

23. Waiver. The failure of either the Developer or an Owner to enforce any covenant contained herein or right arising from any covenant contained herein shall in no case be deemed a waiver of that right or covenant.

24. Severability. Invalidation of any one of these provisions shall in no way effect any of the other provisions which shall remain in full force and effect.
