No rain or storm water runoff from roofs, street pavements or otherwise, or any other surface water, shall at any time be discharged into, or permitted to flow into, the sanitary sewer system, which shall be a separate sewer system from the storm water and surface water run-off system. The Developer's plans presently provide for the construction of two thousand five hundred and fifty-five (2,555) living units in Arlington Park, which will be voted by the Developer until transferred as hereinafter provided.

b. Membership Transfer. Memberships will transfer from the Developer to his grantee upon delivery of the deed. In the case of the conveyance of land to be used for multi-family construction, said memberships will not transfer to the grantee until the Architectural Control Committee has approved the grantee's plans, and then one membership for each living unit to be constructed on the land conveyed will be transferred from the Developer to the grantee.

c. Continuing Membership. The purchaser of any lot or living unit in Arlington Park shall be a member of said Association and shall continue to be a member of said Association so long as he continues to be the owner of a lot or living

unit in Arlington Park for the purposes herein mentioned. Membership shall pass with the ownership of the land or living unit.

d. Transfer of Membership Rights and Privileges to Lessee. Each owner, or in lieu thereof each Lessee of a living unit (with the written consent of such owner to the Association), shall be a member of the Association and have the right to the owner's vote and privileges. Membership, where assigned to a Lessee, will pass with the lease except if the owner withdraws his consent in writing to the Association. The owner may withdraw his membership assignment to the Lessee at his discretion by a sixty (60) day notice in writing to the Association.

50 18. Assessments. Developer, for each lot and/or living unit owned by it within the Addition, hereby covenants, and each owner of any lot or living unit, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or conveyance, shall be deemed to covenant and agree to pay to the Arlington Park Association the Maintenance Fund and/or Club Operating Fund assessments and charges, as hereinafter provided.

a. Maintenance Fund. The "Maintenance Fund" assessment shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of residents of the Addition and in particular, for the improvement and maintenance of the greenways, sidewalks, playgrounds and all other Common Areas, including but not limited to, repair, maintenance, the cost of labor, equipment and materials, supervision, security, lighting, lawn care, snow removal, insurance, taxes, and all other things necessary or desirable in the opinion of the Members of the Association in connection therewith.

The Maintenance Fund Assessment as herein provided

shall commence to accrue and become a lien upon any said lots or living units as soon as title thereto has been divested from Developer, or when a dwelling or living unit shall be erected thereon, whichever shall first occur, and shall be payable on the first day of January of each year thereafter. All assessments shall be determined by and paid to the Association, and the Association shall be responsible for carrying out the purposes of such assessments.

The amount of said Maintenance Fund assessment is established as follows:

(i) The annual assessment for the calendar year starting January 1, 1973, shall be Twenty-Four Dollars (\$24.00) per assessable membership.

(ii) For each year thereafter, commencing with the year beginning January 1, 1974, the Board of Directors of the Association shall establish a budget for such calendar year and shall determine the annual membership assessment required to meet said budget. Such budget and assessment for each such calendar year shall be established by the Board of Directors at a meeting to be held not later than October 31st of each preceding calendar year. The Board of Directors shall then mail to all Association members a copy of said budget and notice of the ensuing year's assessment not later than November 15th of the year prior to the year to which the assessment is applicable.

(iii) The amount of the assessment set by the Board of Directors for any such calendar year may be changed by the members of the Association at a meeting duly called for that purpose as hereinafter provided.

The President or Secretary of the Association shall

call a meeting of the membership of the Association, to be held prior to December 31st of the year prior to the year to which the assessment is applicable, upon receipt, prior to November 30th, of a written petition for assessment review bearing the signatures of at least twenty (20%) percent of the memberships of the Association. The President or Secretary of the Association shall give at least fifteen (15) days written notice of such meeting to all members.

(iv) Any change so adopted in the amount of the assessment set by the Board of Directors must have the assent of two-thirds (2/3) of the memberships of the Association who are voting in person or by proxy at a meeting duly called for such purpose. At any such meeting, a quorum of not less than fifty (50%) percent of all memberships shall be required.

b. Club Operating Fund. The Developer plans to construct a clubhouse within Arlington Park, which clubhouse will contain and provide various social, recreational and other facilities. At such time as construction on said clubhouse is substantially completed, the Club Operating Fund will commence to accrue and will become a lien upon all lots or living units in Arlington Park, except as hereinafter provided. For any lots that a living unit has not been erected thereon at the time of substantial completion of the clubhouse, such assessment will commence to accrue and become a lien at such time as a living unit has been erected on such lot. Said Club Operating Fund assessment shall be payable on the first day of January of each year thereafter. All assessments shall be determined by and paid to the Association, and the Association shall be Responsible for carrying out the purposes of such assessments.

The amount of said Club Operating Fund Assessment is established as follows:

(i) Commencing with the year beginning January 1, 1974, the Board of Directors of the Association shall establish a budget for such calendar year and shall determine therefrom the annual membership assessment required to meet said budget. Such budget and assessment for each calendar year shall be established by the Board of Directors at a meeting to be held not later than October 31st of each preceding calendar year. The Board of Directors shall mail to all Association members a copy of said budget and notice of the ensuing year's assessment not later than November 15th of the year prior to the year to which the assessment is applicable.

50 (ii) The amount of the assessment set by the

Board of Directors for any such calendar year may be changed by the members of the Association at a meeting duly called for that purpose as hereinafter provided. The President or Secretary of the Association shall call such meeting of the membership, to be held prior to December 31st of the year prior to the year to which the assessment is applicable, upon receipt, prior to November 30th, of a written petition for assessment review bearing the signatures of at least twenty (20%) percent of the memberships of the Association. The President or Secretary of the Association shall give at least fifteen (15) days written notice of such meeting to all members.

(iii) Any change so adopted in the amount of the assessment set by the Board of Directors

must have the assent of two-thirds (2/3) of the memberships of the Association who are voting in person or by proxy at a meeting duly called for such purpose. At any such meeting, a quorum of not less than fifty (50%) percent of all memberships shall be required.

(iv) Said Club Operating Fund shall be used exclusively for the purpose of operating and maintaining said clubhouse and all recreational facilities therein or used in connection therewith, including but not limited to, repair, maintenance, cost of labor, equipment, supervision, taxes, insurance, and all other things necessary or desirable in the opinion of the Members of the Association in connection therewith.

50

c. Collection. Such Maintenance Fund and Club Operating Fund assessments, together with interest thereon and costs of collection as hereafter provided, shall be a lien upon the property against which each such assessment is made. Each such assessment, together with interest thereon and costs of collection, shall also be the personal obligation of the person or persons who was the owner of such property at the time when the assessment fell due. The obligation of the assessment is upon the owner of the property or the living unit and is not transferred, even though the owner may have transferred the membership and voting rights in Arlington Park Association, as hereinbefore provided. If the assessments are not paid on the due date, then such assessments shall be a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. However, the personal obligation of the then owner to pay such assessment shall remain a personal obligation and shall not pass to his successors in title unless expressly assumed by them. If the assessment is not paid within sixty

(60) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action against the owner personally obligated to pay the same, or foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing such action. The lien of the assessments as provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the property, taxes and assessments for public improvements.

19. Duration and Alteration. These protective covenants, restrictions and limitations shall be construed as, and shall be, covenants running with the land and shall be binding upon all Owners and Lessees of land in said Addition and all persons claiming under them. They shall continue in existence for a period of fifty (50) years from the date of the recording hereof and thereafter shall be automatically extended for successive periods of ten (10) years each. The protective covenants, restrictions and limitations (but not the easements) may be changed, abolished or altered in part by written instrument signed by the owners of not less than seventy-five (75%) percent of the memberships of the Arlington Park Association; and may be changed, altered or amended by the Developer within two (2) years from and after the date of recording hereof: All said amendments, changes or alterations, however, shall have the prior approval of the Allen County Plan Commission or its successors.

20. Waiver. The failure of either the Developer or an Owner to enforce any covenant contained herein or right arising from any covenant contained herein shall in no case be deemed a waiver of that right or covenant.

21. Severability. Invalidation of any one of these provisions shall in no way affect any of the other provisions which shall remain in full force and effect.
